TODAY'S EDUCATION

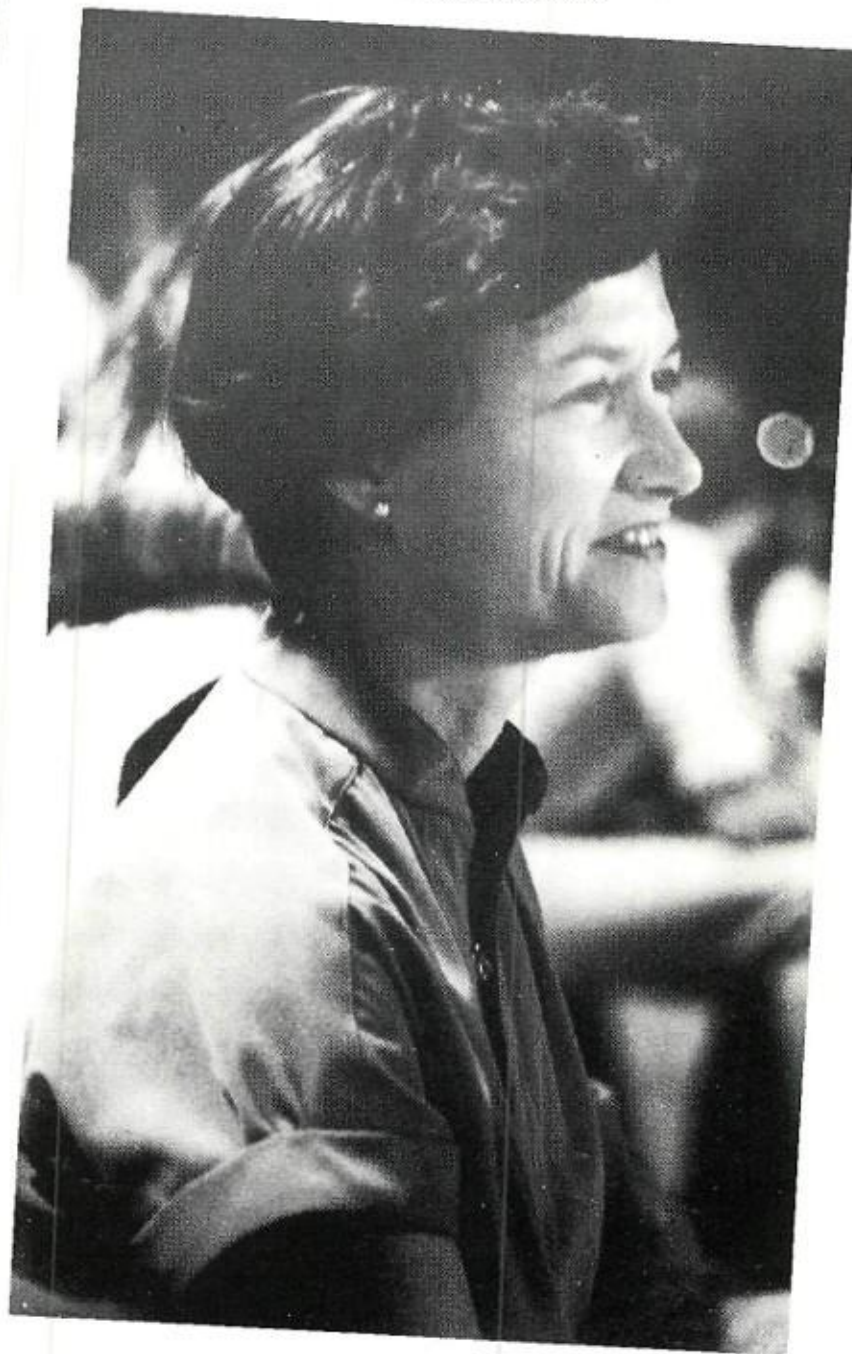

At Captain Shreve
High School

Our New Principal — A Familiar Face

This past school year, Captain Shreve gained a new principal, Miss Sandra McCalla. Miss McCalla, a former teacher of advanced math, calculus, and computer programming, served as assistant principal of Captain Shreve for two years. With this experience, the transition from one job to the other was made easier. As seen this past school year, the job of being the main leader of Captain Shreve High School was carried out most effectively with dignity and control by Miss McCalla. Throughout the year, Miss McCalla worked together with teachers and students in order to maintain Captain Shreve's tradition of excellence.

OPPOSITE PAGE: Miss Sandra McCalla — Principal. TOP: Good news for Miss McCalla. LEFT: Miss McCalla at Shreve's Homecoming. RIGHT: Miss McCalla — proud of Captain Shreve.

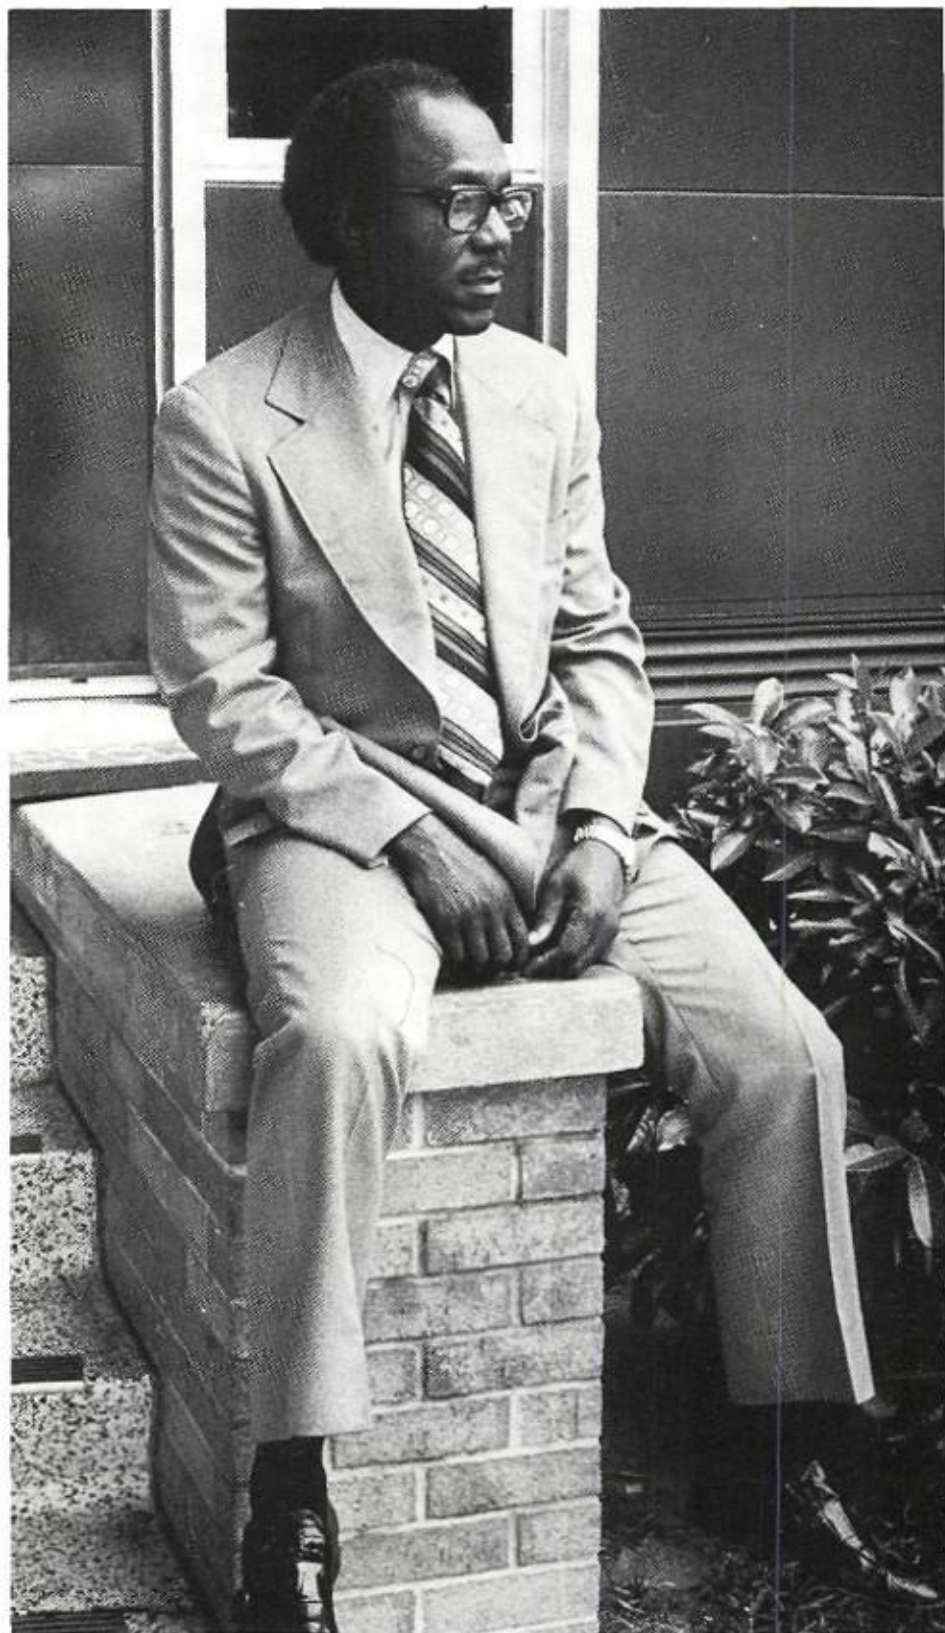

Assistant Principals Have Many Jobs

Due to the promotion of Miss McCalla to principal, Captain Shreve received a new assistant principal — Mr. Tommy Powell. Mr. Powell worked with Shreve's other assistant principal, Mr. Donald Horton.

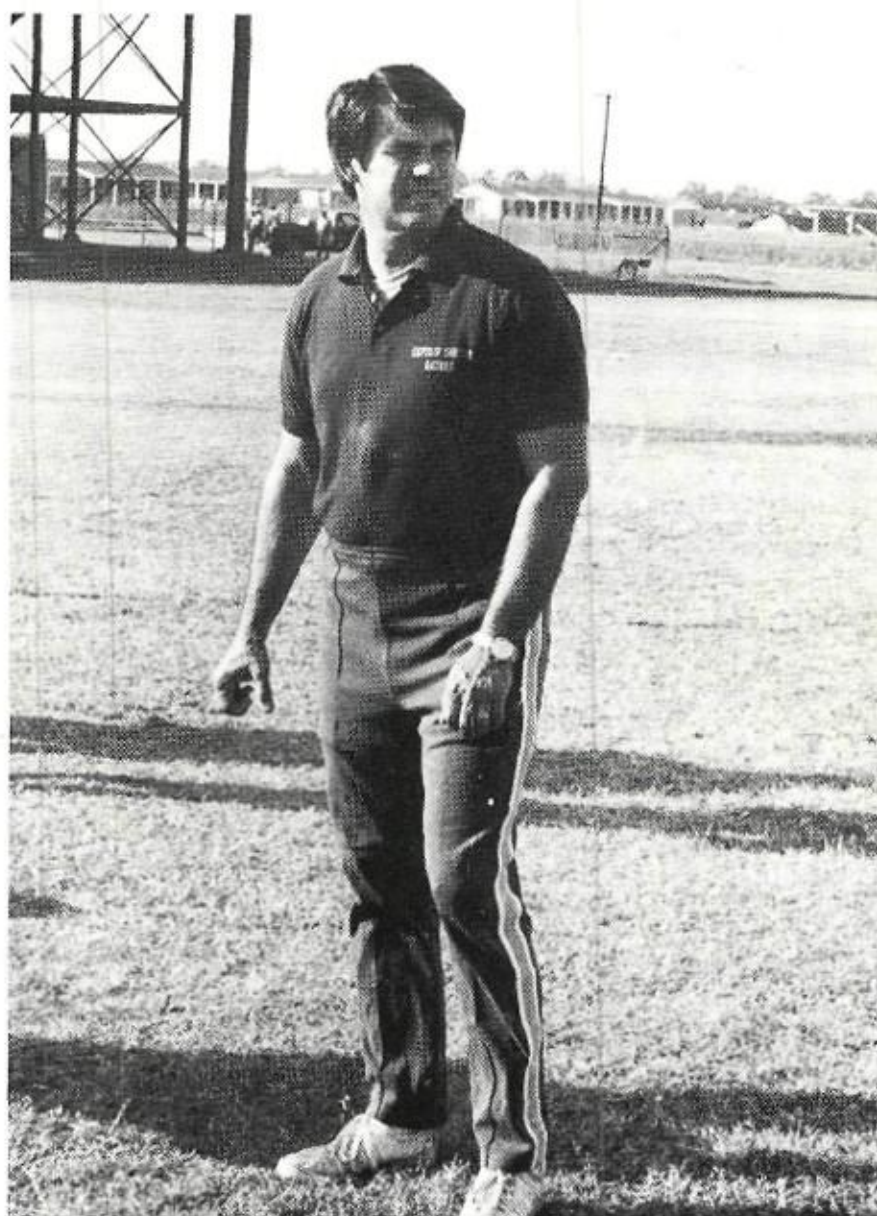

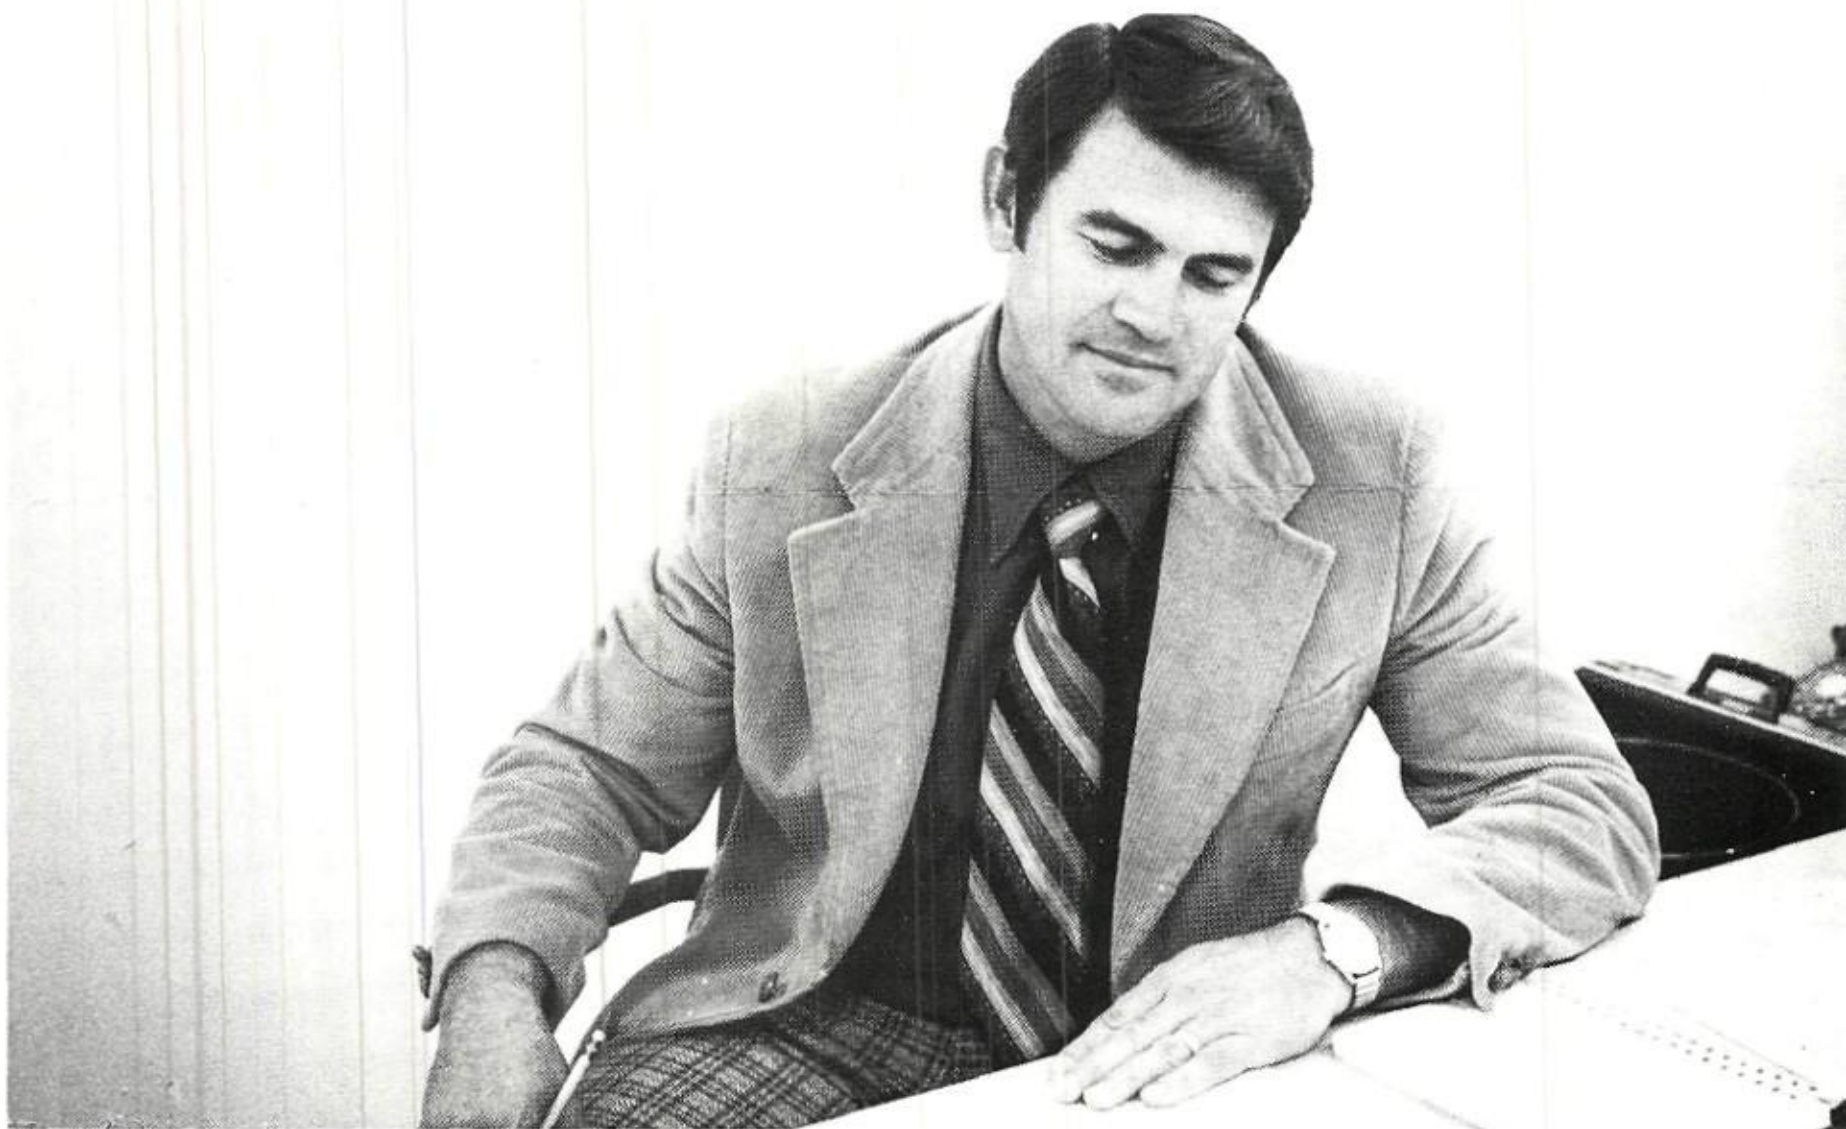

Mr. Horton's duties involved direct contact with the students. He administered the parish attendance policy, coordinated school activities, and enforced the discipline code. Upon moving into his new role, Mr. Powell assumed the duties of scheduling, the hiring of substitute teachers, the selection of textbooks, and the supervision of teachers.

Mr. Powell and Mr. Horton worked together throughout the year to make this time of change a success.

Counselors Are Helpful

During the 1979-1980 school year, the Captain Shreve Counselors worked with all students in many ways. Students received help from the counselors in the areas of schedule changes, college and career choices, and scholarship opportunities. Students in all grades needed and received help from their class counselor at one time or another. All three counselors, Miss Inez Franz, Mrs. Ruby Powell, and Mr. Joel Wallace, worked throughout the school year trying to provide services to all students.

Office Is Center of Activity

Through the efforts of Mrs. Joann Goodwin, Mrs. Dortha Layton, Mrs. Carolyn Morris, Mrs. Mildred Young, and student volunteers, Captain Shreve had a very smooth and efficient year.

Student volunteers took care of check-ins, check-outs, phone calls, and things of that nature. This left the secretaries free to communicate with parents, keep books, register new students, sign admits and check-outs, and keep the records up-to-date.

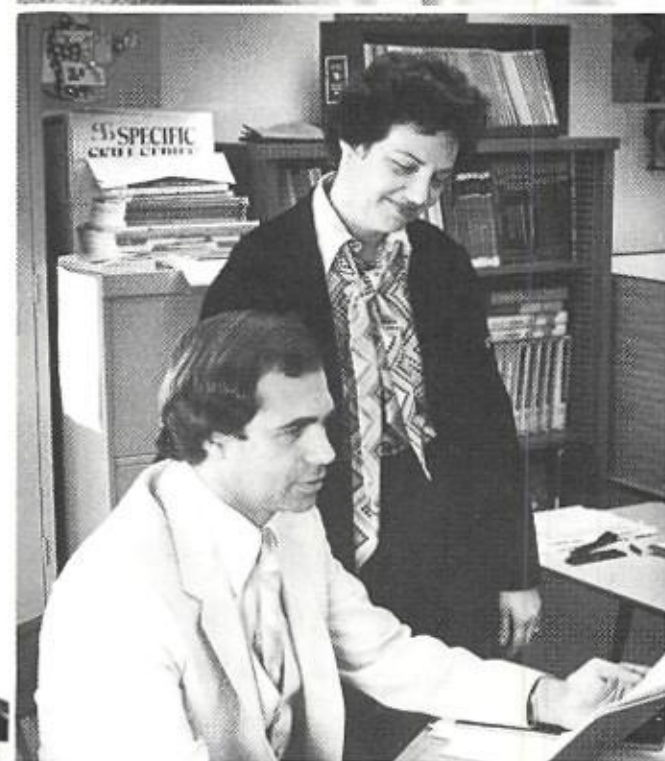

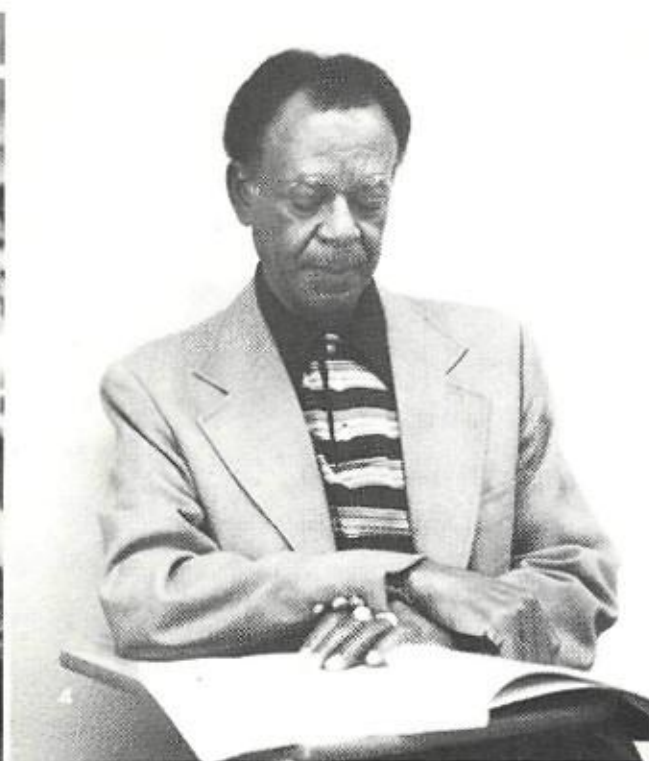

Thanks to the whole office staff's organization and diligence, Shreve maintained its reputation of competency throughout the year.

The Library — A Place for All

The library at Captain Shreve maintained an atmosphere of quietness and relaxation throughout the year. Mrs. Valore and Miss Ramsey worked to keep the library neat and orderly. They were aided by Mrs. Davis who also took care of all the clerical duties. A group of students called library workers assisted the librarians in many ways also.

Along with the complete assortment of books for learning and entertainment, the library was stocked with up-to-date magazines, vertical files, *Reader's Guide*, and encyclopedias.

The library also had conference rooms which provided a quiet place for students to work together. Study carrels were available to students who needed to have a quiet spot to catch up on classwork or use reference materials.

English Develops Language Skills

A good background in grammar was one of the greatest advantages offered to Captain Shreve students. Reading I and II and English I, II, III, and IV taught students basics such as sentence structure, composition, spelling, and vocabulary. Many students taking English courses learned how to write a research paper which will help them in their academic futures.

These courses were beneficial to students who planned to go to college or to go straight into the business world. Their improved ability to express themselves to others will be profitable to them regardless of their future plans.

C.S. English Courses Stress Literature

Throughout this school year English involved not only grammar, but also literature and creativity. Shreve students did quite a bit of reading this past year. The Freshmen read *Romeo and Juliet*, and the Sophomores read *Julius Caesar*. Juniors who took Team Class read just about everything from *The Scarlet Letter* to *The Great Gatsby*, and the Seniors read books ranging from *Lord of the Flies* to *Ivanhoe*.

In addition to taking a regular English course, students could also have chosen journalism, creative writing, speech, drama, humanities or novels classes.

During the school year reading was one of the best methods of learning that could be found. It increased interpretation abilities and, most importantly, it broadened the students' vocabularies.

Social Studies — An Interesting Subject

The Social Studies curriculum at Capt. Shreve included courses in American History, Free Enterprise, Geography, World History, Civics, and other courses. Teachers of these courses utilized many different teaching methods in instructing their classes. Such methods as lecturing, skits, class discussions, and individual projects were used by many social studies instructors. Many students participated in the Close-Up program which enabled them to travel to Wash., D.C. and see how our government works.

Throughout this past year, the social studies department enabled students to learn of the many aspects of the world in which we live.

Math — The Science of Numbers

To provide students with the best possible mathematics background, a wide variety of math courses were offered at Captain Shreve. Among those offered were Algebra I and II, Geometry, General Math, Business Math, Advanced Math, and Physics.

Having such a variation of courses to choose from, each student was able to function to the best of their ability. These courses provided a firm background in math and developed logical reasoning. Both the basics and fine points of mathematics taught at Shreve were designed to help students prepare for their future careers.

Science Classes Explore

Throughout this past year, the Science Dept. at Captain Shreve offered many ways to explore and understand the mysteries of the world around them. General Science provided a basic knowledge of all the sciences. Biology students dissected animals, and studied genetics, cell structure, the human body, and plant life. In Chemistry, students learned of the electron configuration of different atoms and the physical and chemical changes of the elements. Physics students were concerned with mechanics, heat, light, sound, electricity, magnetism, and the properties of matter.

Through these classes offered this past year, the science courses at Capt. Shreve broadened the awareness of students to many of the mysteries in the world around them.

P.E. Is Both Mental and Physical

The Physical Education program at Captain Shreve was designed with two things in mind: to encourage physical fitness and to promote teamwork. The girls' P.E. classes participated in such activities as archery, track, volleyball, badminton, tennis and health. In the boys' classes, various sports such as football, basketball, track, and volleyball were played throughout the year.

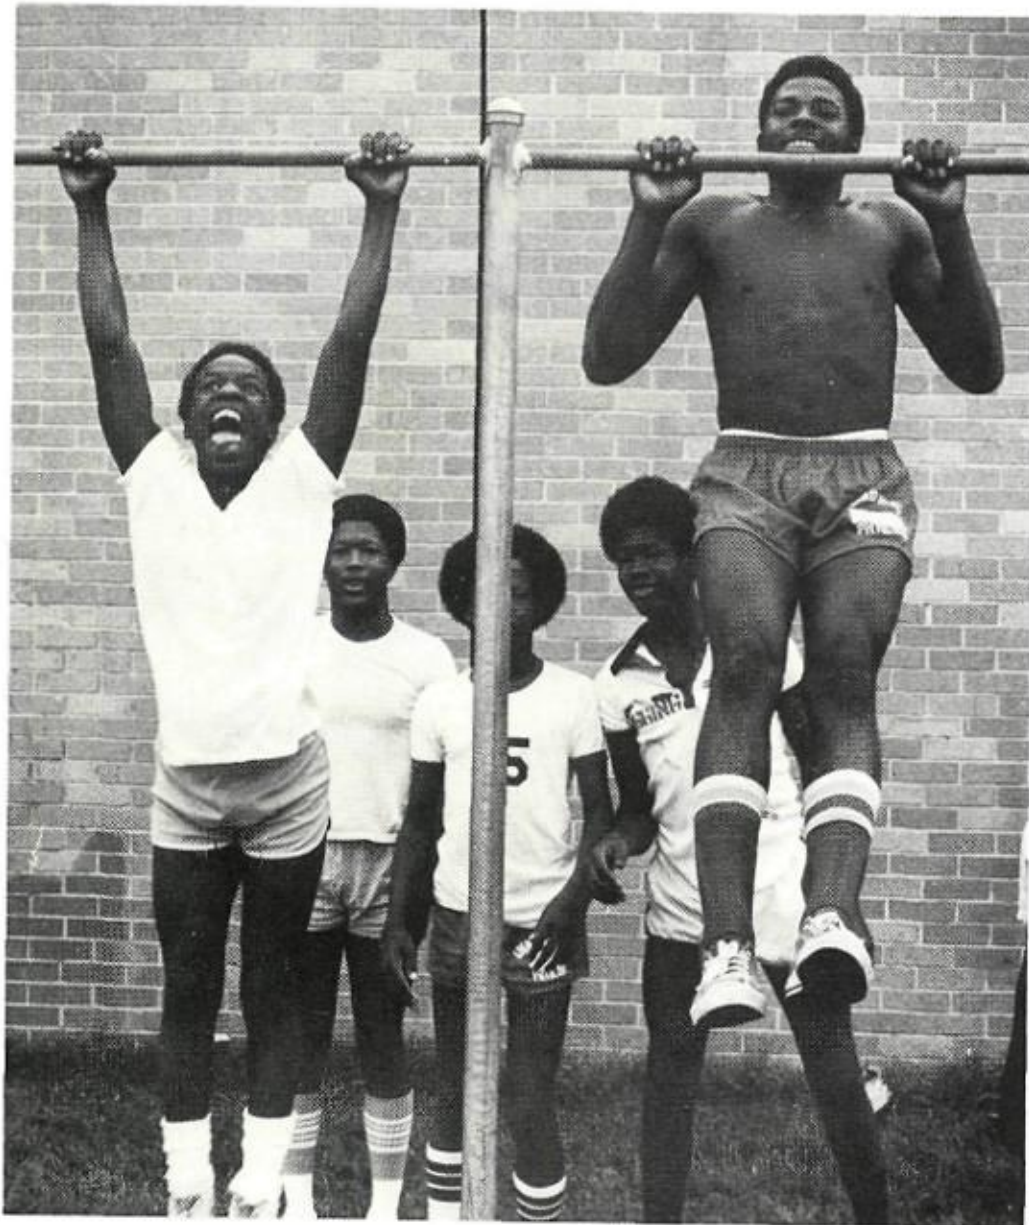

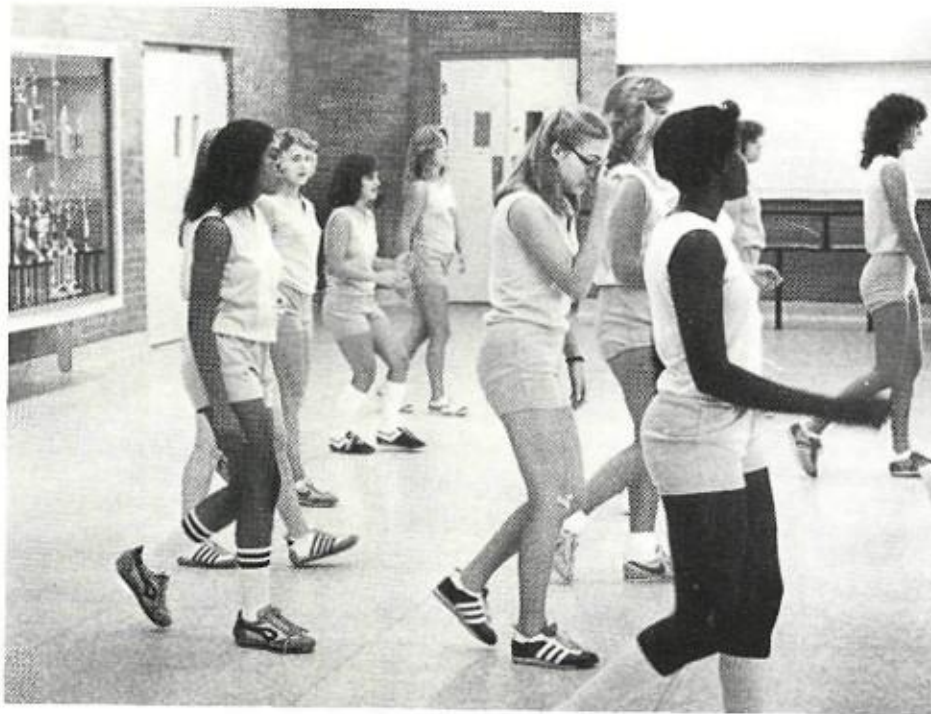

As well as being in the regular physical education classes, the students could have participated on school teams. Driver's Education classes were also offered as a part of the physical education program. During the past year, physical education was an important course at Shreve because it involved both mental and physical participation from the students.

BUSINESS COURSES PREPARE STUDENTS

There were many business courses offered at Captain Shreve during the 1979-80 school year. Accounting, clerical practice, general business, typewriting, and shorthand represented the various courses that were available. For those students who wished to do advance study, the second-year courses were offered. Accounting and shorthand taught students the fundamentals of accounting, and how to write with speed and transcribe with facility, respectively. Throughout this school year, the business staff worked diligently to prepare students for the business world.

D.E. and C.O.E. Mean Business

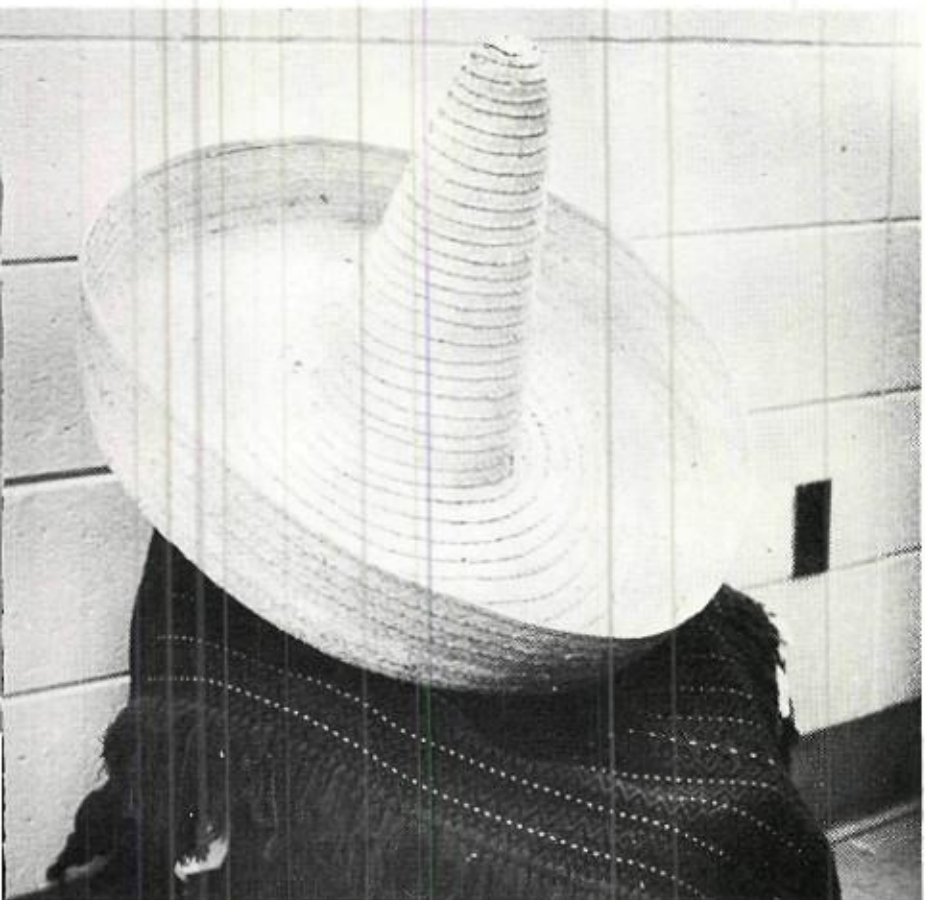

This past year, Distributive Education and Cooperative Education proved to be difficult yet rewarding programs. Students enrolled in these courses received a background training in shorthand, typing, and bookkeeping to prepare them for vocational careers. They learned proper techniques for buying and selling. To develop a sense of responsibility and better their knowledge of wholesale and retail selling, each student spent the last three hours of each school day out on the job. Experience, they learned, was indeed a most valuable asset.

Foreign Languages Bring the World Closer

There were four foreign languages offered at Captain Shreve: French, German, Latin, and Spanish. Levels I and II were offered in each language, and in some, students could go on to Levels III and IV. The classes not only dealt with the basics of reading, speaking, writing, and grammar; they also taught the geography of the country and the customs and lifestyle of the people speaking the language they were studying. To make the learning more interesting, each language also had its own club. Foreign language was beneficial in that it not only dealt with that language, but it also improved English skills.

Artistic Culture Instilled at Shreve

Throughout this past year, the music department offered courses in music theory and provided experience in performing. Membership in band, choir, orchestra, and general music was available to all students. Each of these activities lifted gator spirit and brought various honors to the school.

The art department offered a four-year program of art instruction. In these courses, students worked with charcoals, water colors, pencil sketches, still life, and landscapes. By taking these courses, the students were exposed to different types of artistic culture.

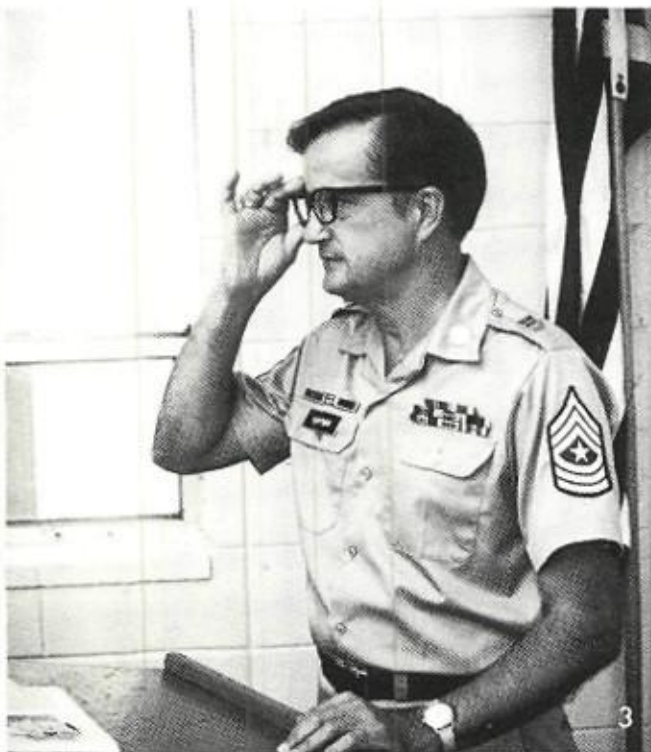

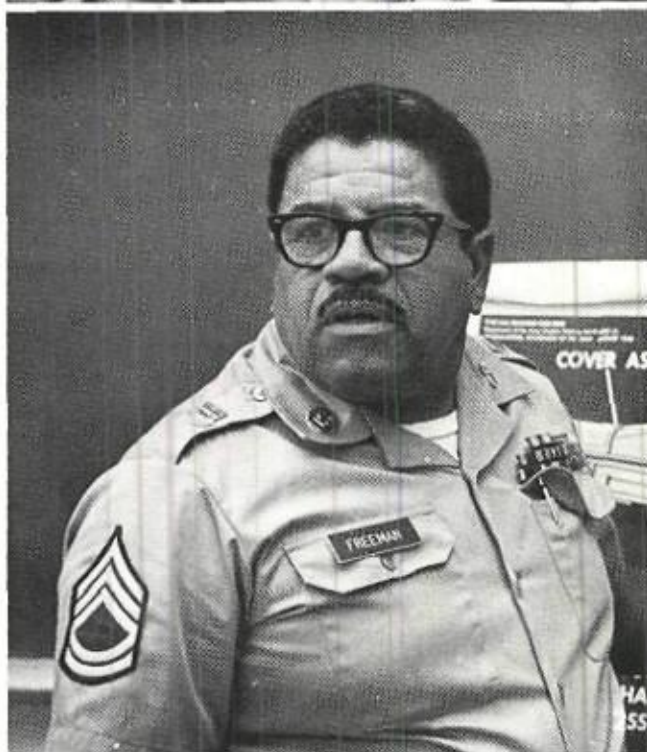

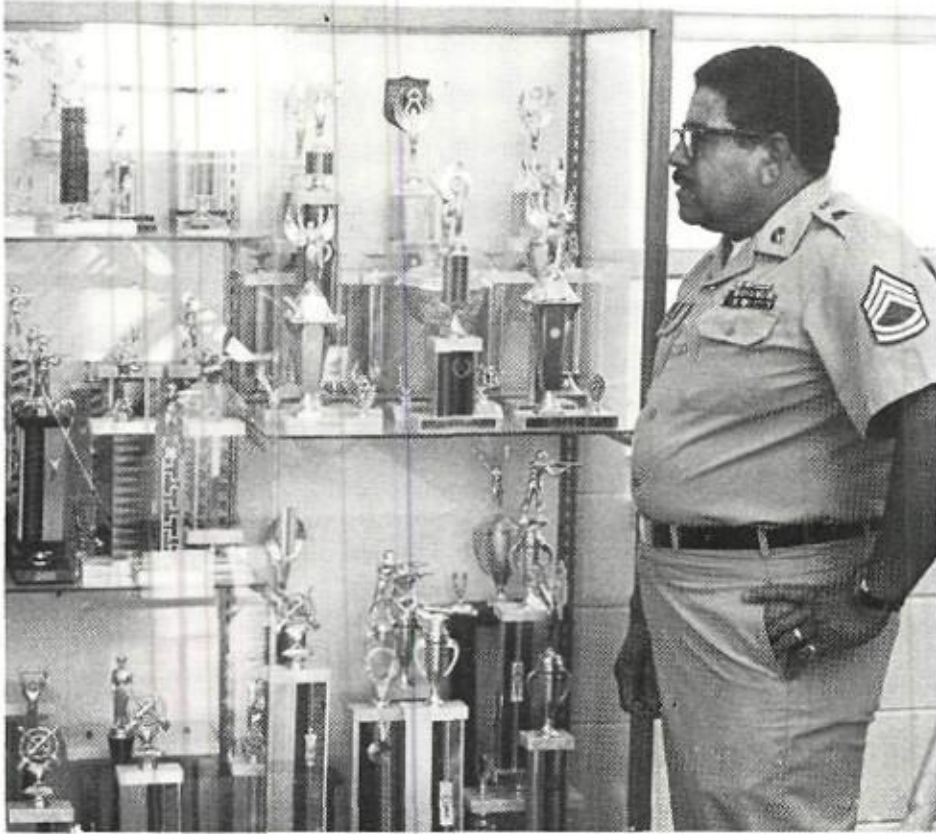

1. MR. CHARLES FITZPATRICK ... Art I, II, III, IV ... B.S., Centenary.

ROTC Teaches Discipline and Skills

During the 1979-80 year, ROTC's strict discipline and unbending rules made men and women out of children. A sense of respect, honor, and patriotism was gradually imparted in each of the students. In classes, students were taught how to read maps, drill practice tactics, and proper use of weapons among other skills. ROTC taught habits of orderliness and precision, developed a sense of love for one's Country, and encouraged a high sense of personal honor and deportment. Whether in ROTC classrooms, out on ROTC activities, or in other classes and situations, ROTC members exemplified these points and maintained their well-founded reputation.

Electives Prepare Students

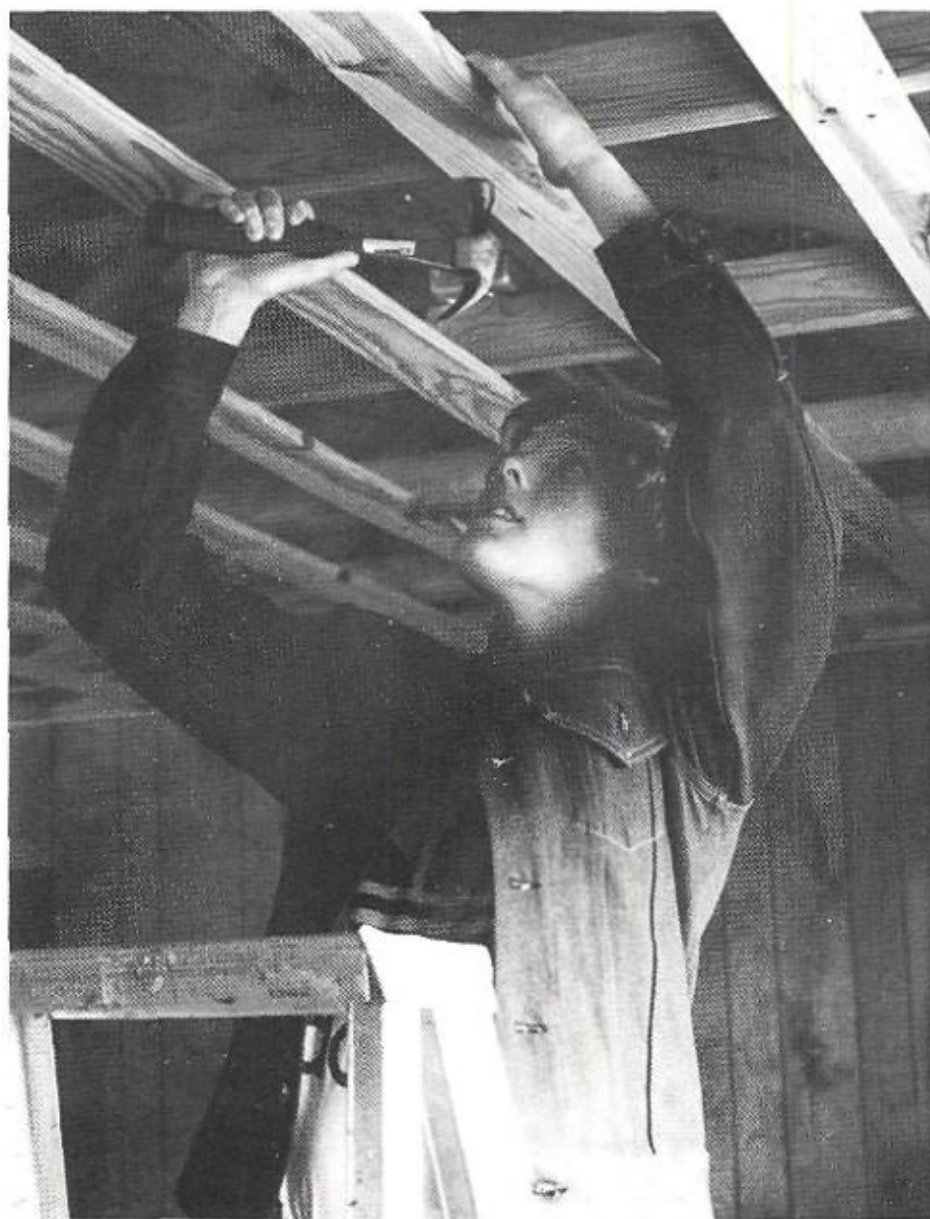

Electives offered a wide range of interests to choose from. Home Economics, Small Gas Engines, and Mechanical Drawing were among the courses available to Captain Shreve students during the school year. Mechanical drawing taught students to draw architectural and engineering plans. Home Economics taught how to cook and sew and other phases of home life. In Small Gas Engines, students learned the operation, care, and repair of engines. Students that took courses in electives were prepared for anything from marking hems and cooking meals to fixing coffee pots and drawing up plans for the building of a house.

Career Center — Beneficial to All

The Caddo Career Center was an asset to those students who chose to take advantage of it. It was for those who wanted to immediately enter a vocation after graduation and also for those who just wanted knowledge and experience in a particular field.

The Career Center offered a variety of more than twenty courses ranging from electronics, health occupations, commercial art, and agriculture to printing, welding, and data processing. Courses in many of these occupations provided opportunity for on-the-job training positions in the community. Thus, the Caddo Career Center benefited not only the students, but the community as well.

Campus Life

At Captain Shreve High School

One Life to Live

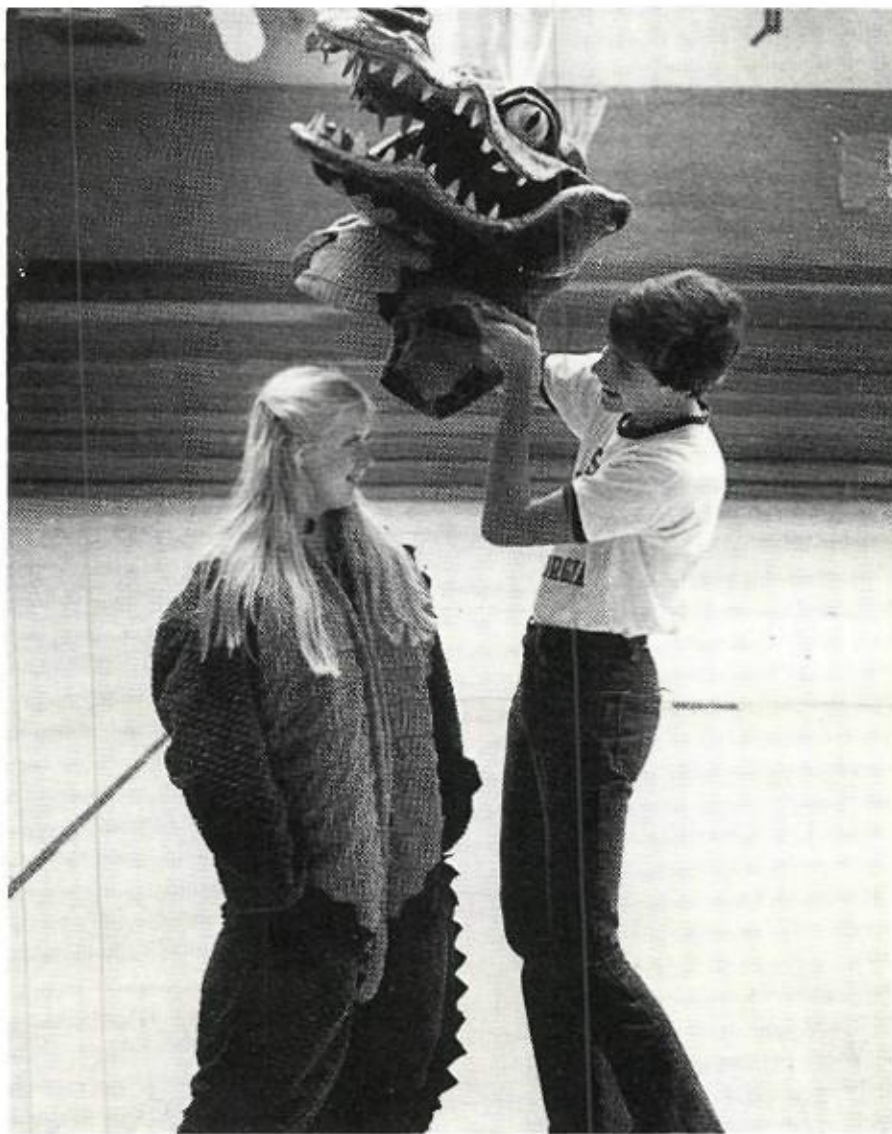

The saying, "One Life to Live" is a very common phrase. Throughout this past year in the halls of Captain Shreve, it meant the only life to live was the Gator Life.

During this year, Gator Pride was a part of each student's life. Each person showed that he was a Gator in a different way. Some lead cheers at sports events, some participated in pep rallies, but in every way each tried to show Gators are the best and Gators couldn't be prouder.

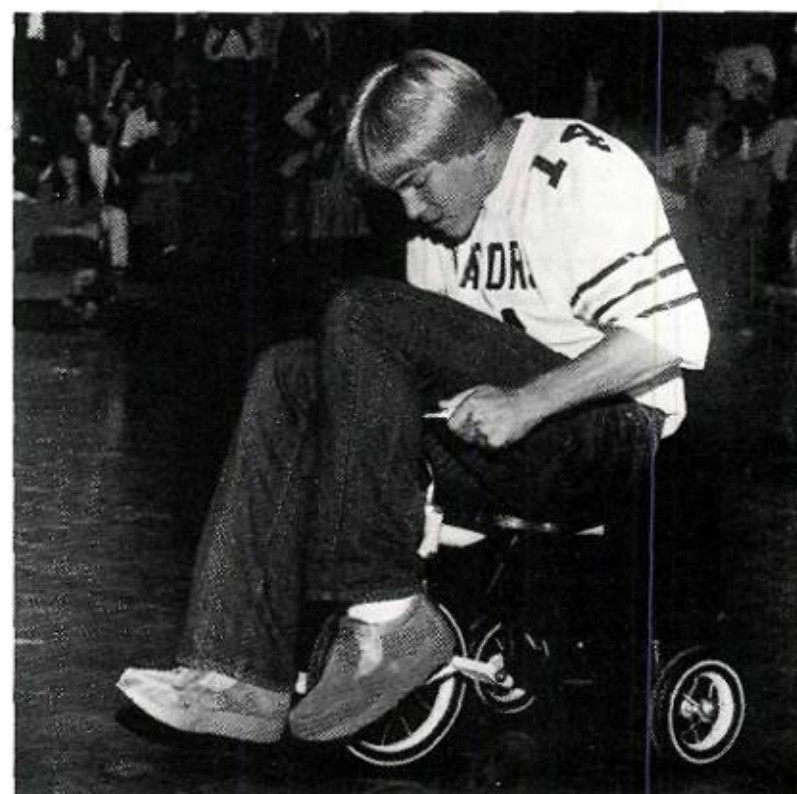

Anyone who ever went to Shreve, past or present, will say, "If I had but One Life to Live, let me live it as a Gator."

Young and Restless

During the 1979-1980 school year, Captain Shreve students lived exciting lives. Every day something new happened. Throughout this past year, Gators were very witty and tried anything at least once. Some yelled at friends from windows, until caught by their teachers, others tried anything to get through the halls during their lunch break, and a few of our "better looking" boys did anything to get that Friday night date. They went as far as putting on their "best clothes" and surprising the girls as they passed by. Everyone enjoyed their Gator life in a different way.

Shreveites do things like everyone else, but the difference is they know how to get the most fun out of everything done.

Days of Our Lives

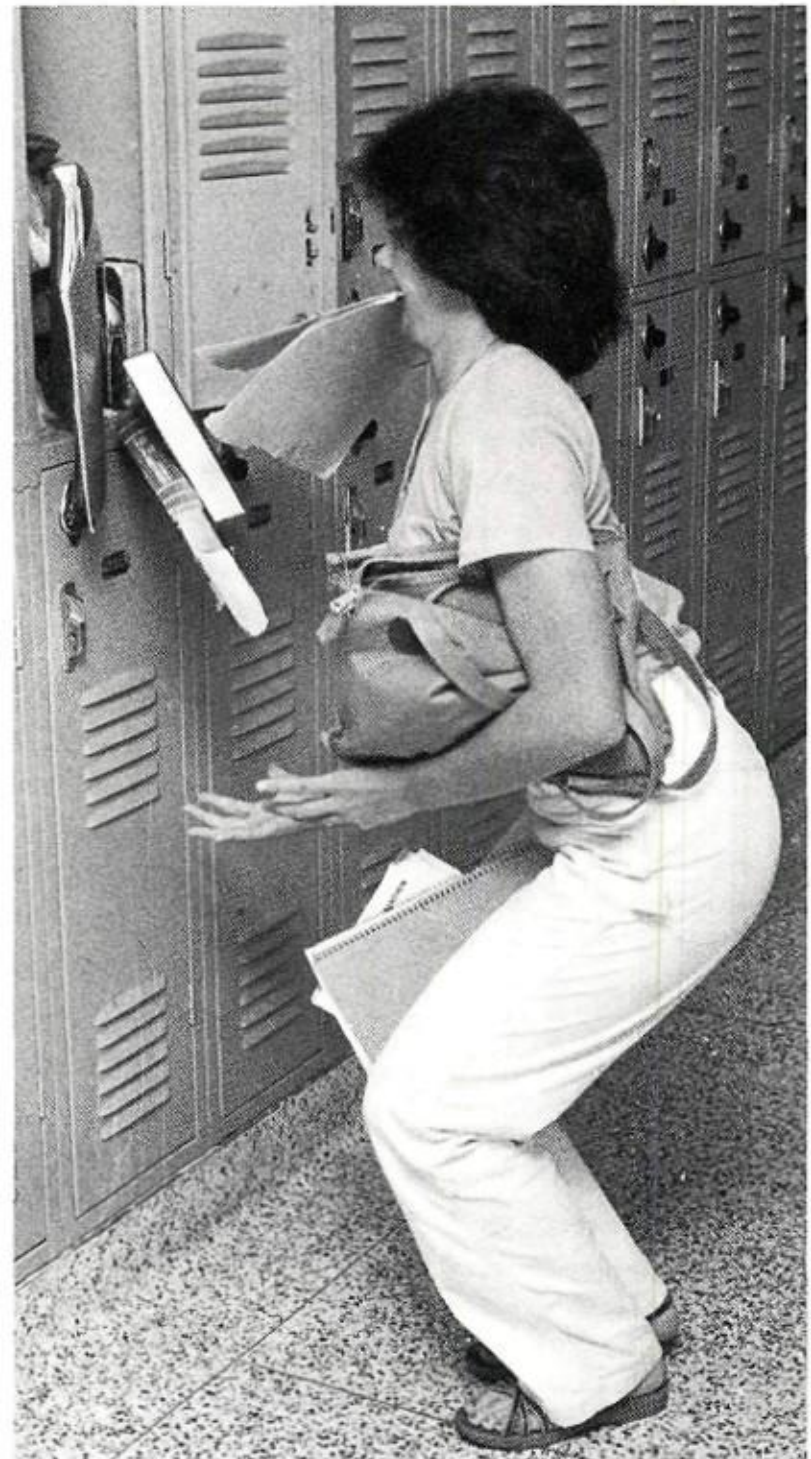

At Captain Shreve, most students took life one step at a time. During this past school year, from sunrise to sunset, every student experienced the joys, the special moments, and the petty annoyances, and the major heartaches that can make or break a day or perhaps change it from a blue Monday to a momentous occasion. These days at Captain Shreve will remain among the most important days of our lives — memories that we will cherish forever. The good days as well as the bad days were permanently preserved and became the memorable moments of 1979-80!

The Edge of Night

For most Captain Shreve students, the weekend nights were looked forward to with much excitement and anticipation throughout the school year. A star filled night, a chilly football game, a new movie, a wild party, or a jittery first date added to the spirit of those memorable Gator nights. The weekday nights, often spent studying for that big exam, watching television, or talking on the telephone, just didn't seem to compare with the weekends, a time when all came alive — just part of the weekend magic which made Monday through Friday just a little more bearable.

Guiding Light

The Merriam-Webster dictionary defines the word "guide" as one who leads or directs another in his way. This past year, Captain Shreve had many people that fit this description. Guidance was obtained from many sources, our Counselors, the President of the Student Council, a teacher, or even your best friend. When help was needed, these people could be trusted to give good advice about future plans or every day problems. Leadership and guidance were found in each person at Captain Shreve. Throughout this year, Captain Shreve proved to be the Guiding Light for the future of our community.

Search for Tomorrow

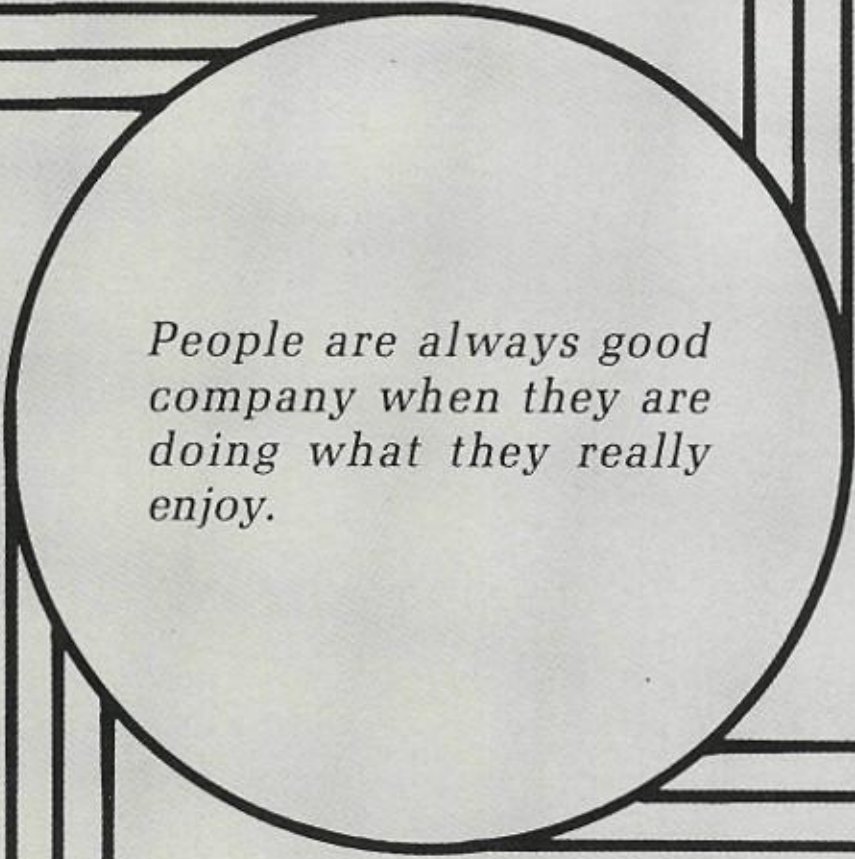

Throughout the year, each student at Captain Shreve set their own goals and dreamed their own dreams. At one time or another during the school year, all crossed their fingers and hoped for something special to happen. Whether it was an "A" on a test, President of the United States, quarterback for the football team, or just a smile from that "certain someone" in class, every Gator had their own rainbow which they chose. Forever hoping for that shining pot of gold, students, along with this search for happiness at Captain Shreve, kept the spirit anew.

Student Council Works for You

The Student Council was an integral part of Captain Shreve. Its influence and importance to the students and faculty has steadily increased since the founding of Captain Shreve in 1967.

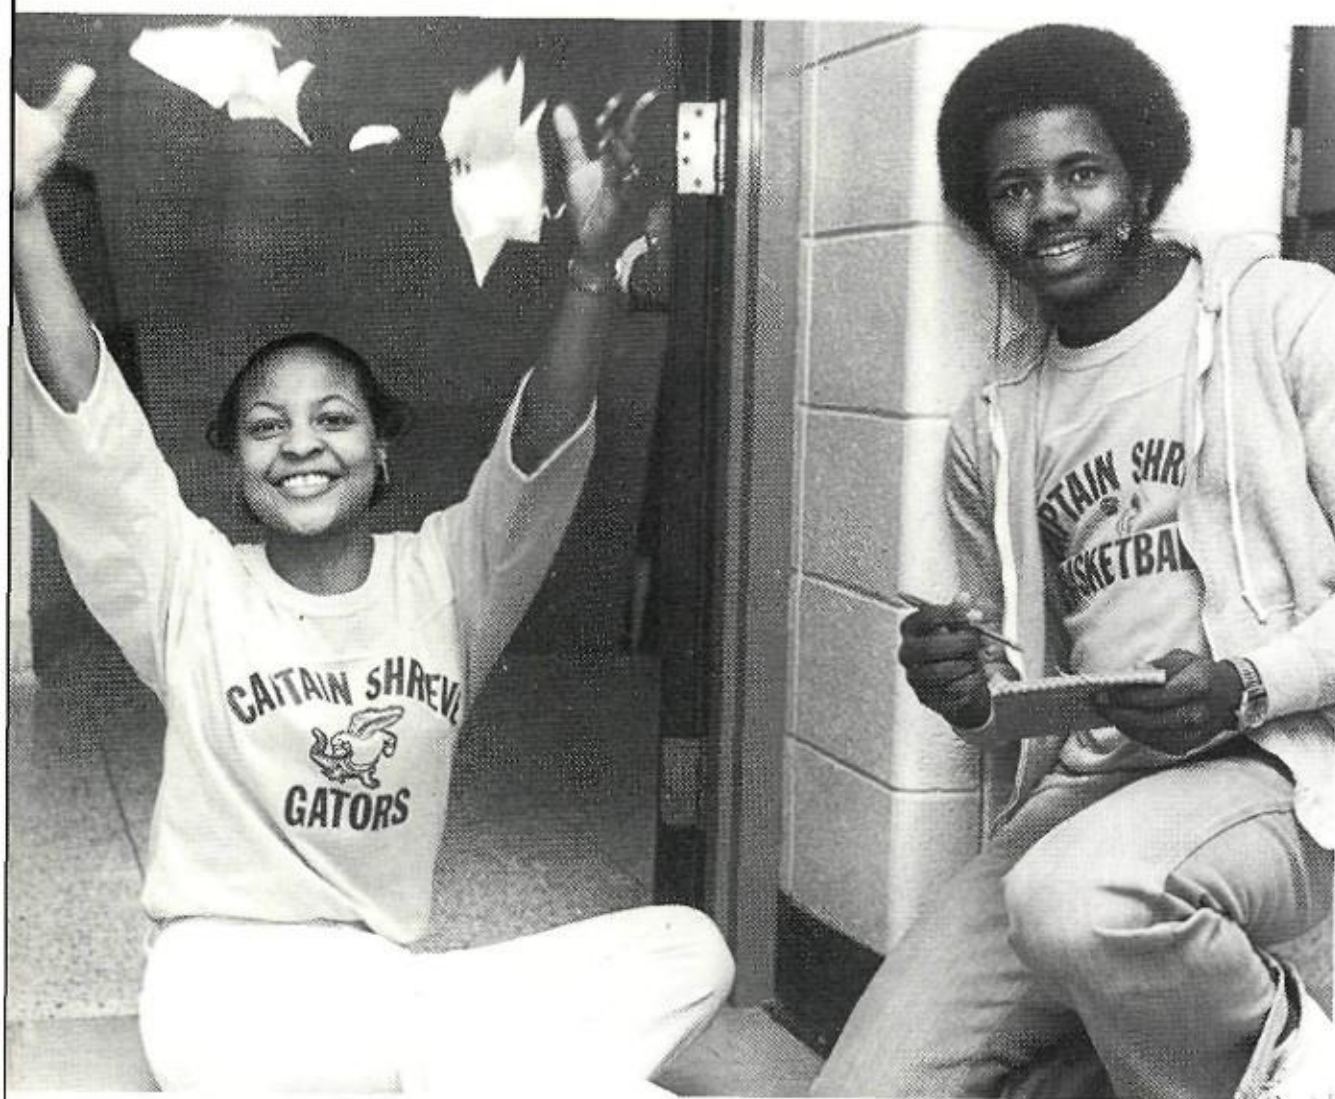

Under the guidance of sponsors, Mr. Matt Purdue and Mr. Johnny Burnom, several projects were initiated throughout the year to improve communication between the council, faculty, and the student body. Some student council projects during the 79-80 year were homecoming election, basketball concessions, half-court shots, car decals and parking permits. The council also sold jerseys to promote more "GATOR SPIRIT."

Astra Serves School and Community

Astra Club, sponsored by the Altrusa Club, performed many activities this year. Under the supervision of Miss McKinney, their new sponsor, Astra participated in many services to both school and community. The members sold Halloween treats and spirit buttons. The girls visited Magnolia Manor Nursing Home and also sold tickets to the Poorman's Supper. During basketball season they also set up the score board before every home game.

In every way Astra Club is a prime example of what a Captain Shreve service club should be.

Key Club Contributes Their Time

The Key Club, under the guidance of Mr. Jack Bogan, served the Shreveport-Bossier community in many ways. Once again this year during Christmas, the club members enthusiastically helped Sister Margaret deliver Christmas gifts and toys to needy families in the Shreveport area. Also during Christmas, the club members proved helpful by contributing their time to giving a Christmas party to the residents of the Northwest Louisiana Training School. During Halloween, the club members gave a party to the residents at Holy Angels. The Key Club members also proved to be helpful by giving their time to collecting for the March of Dimes and conducting marathon races to help raise money for the Easter Seals. The Captain Shreve Key Club showed another example of Shreve's excellent service clubs.

Z-Club Offers Service for Others

The 1979-80 Z-Club of Captain Shreve offered many services to the school and community during the year.

Throughout the year, Z-Club members visited the Louisiana Nursing Home once a month. The club also sold Christmas stockings filled with cookies and candy and decorated the office foyer. For the second year, Z-Club presented a style show "Shadows of a Season," and all proceeds went to the Kidney Foundation. This year the Z-Club members were also "Gator Aides" at the Louisiana State Fair.

Z-Club, sponsored by Miss Georgia Lee and Mrs. Ann Havard, was composed of 36 girls, all being either sophomores, juniors or seniors. Once again, the Z-Club was another example of a fine service club of Captain Shreve.

CODAC STOPS DRUG ABUSE

CODAC, Council on Drug Abuse Control, is a Captain Shreve Service club that informed the community about alcohol and drug abuse during the 1979-80 school year.

They went to several elementary schools and explained to the students the affects of these things, as well as other problems they will have to face in the future.

Under the guidance of Mr. English, the club was taught the importance of informing others of the adverse affects that alcohol and drugs have on our society.

Interact Members Work Year Round

Under the supervision of Mr. Tony Kauffman, the 1979-80 Interact Club worked throughout the year at providing services to the school and community. Beginning in May, 1979, Interact members began serving the school by painting the baseball bleachers and refinishing trash cans around the school. As the school year began, work on the school telephone directory, the *Gator List*, began also. During the Homecoming festivities, Interact received second place in a car decorating contest sponsored by the cheerleaders. For the Christmas season, club members ran bells and collected money for the Salvation Army. On into the spring, Interact sold tickets for the annual Poor Man's Supper and collected money for the March of Dimes, the Heart Fund, and the American Cancer Society. Through these many services, Interact proved to be an honorable organization at Captain Shreve High School.

Leo Club Serves Shreve

The Captain Shreve Leo Club, a co-educational organization, participated in many projects to help the community.

During the Thanksgiving and Christmas seasons, they collected canned foods to help Christian Services. The Leo Club helped to promote school spirit by painting banners and hanging them around the school as well as in the stadium. They organized many projects to help the school such as cleaning the parking lots after the Friday night football games. They financed their projects with candy sales. Through these services, Leo Club proved to be another example of Shreve's fine service organizations.

Debators Active at Captain Shreve

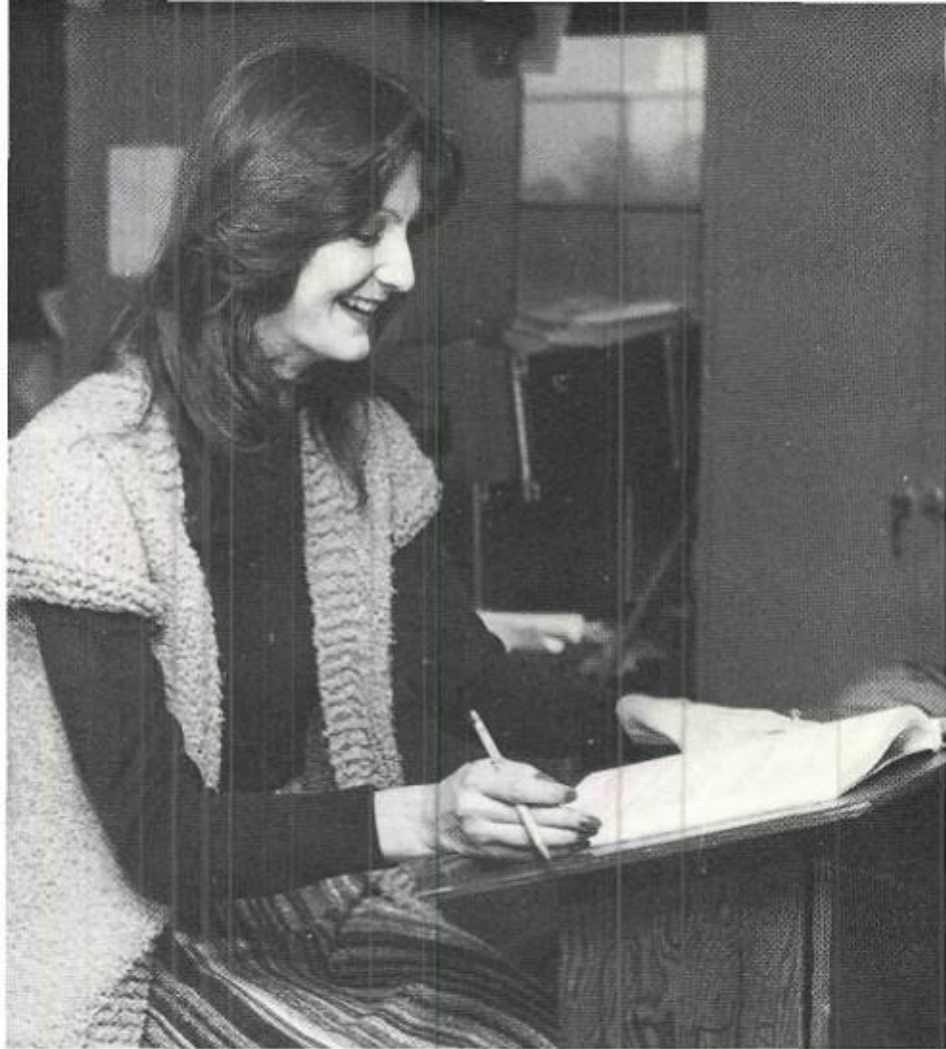

The 1979-80 school year was a busy one for the Captain Shreve Debate Team. The members traveled throughout Louisiana participating in many tournaments and speech festivals.

Under the direction of Mr. Jack Bogan, the team won numerous awards. The team sponsored the Gator Invitational, a nationwide debate tournament.

Local interest in debate grew more every day throughout the school year. Other schools always took notice when the Gator Debate Team arrived.

Drama — A Worthwhile Experience

The 1979-80 Drama Club, Sponsored by Miss McKellar, Mrs. Sibley, Mr. Pedro, Mrs. Page, and Mrs. Adderhold was an outstanding group throughout the year. The group did two plays this year. The fall production, *Black Comedy*, was a success, and everyone who attended enjoyed it. The production, *Johnny Belinda*, which was held in the spring, provided good entertainment by presenting a serious view of how society treats a handicapped citizen.

The Drama Club also helped the Debate Team with the C.S. Speech Tournament, and attended many speech tournaments throughout Louisiana. Through these many activities, the 1979-80 Drama Club helped to promote Captain Shreve's good name.

Choir Sings Out for Shreve

This year the Captain Shreve Choir worked harder than ever to achieve their goal as a choir with leadership and determination.

Under the direction of Mr. Hattie Wade, many activities were accomplished as a result of the choirs singing. They helped entertain senior citizens at nursing homes. They also held several concerts at elementary and junior high schools. The choir was busy throughout the year performing concerts and learning more about music and its history.

C.S. Orchestra Enriches Students

The main objective of the Captain Shreve Orchestra in 1979-80 was to give its members a chance to gain a thorough background in music that would profit them later in life. This was accomplished through practice, careful study, and performance before audiences. The members also developed an appreciation for music in any style or medium.

The Captain Shreve Orchestra, under the direction of Miss Parker, was a big success this year. They performed at Shreve and many places throughout Shreveport.

German Club

Stays Active

Captain Shreve's German Club was as active as ever again this year. They held candy sales, car washes, and soccer games, to raise money for their trip to Germany this summer. They also attended the Texas Association of German Students convention.

Sponsored by Mrs. Ruth Page, the German Club officers were Catherine Watts, President; Donna Sanderson, Vice-President; Carrol Watts, Treasurer; Greg Bennet, Recording Secretary; Lynda Lyons, Corresponding Secretary; Tanya Gandy, Sgt.-at-Arms; Elizabeth Reeder, Historian; and John Burelback, Photographer.

Octagon Is a Big Success

During the 1979-80 school year, the Octagon Club, one of the co-educational service clubs at Captain Shreve, worked on many projects which served both school and community.

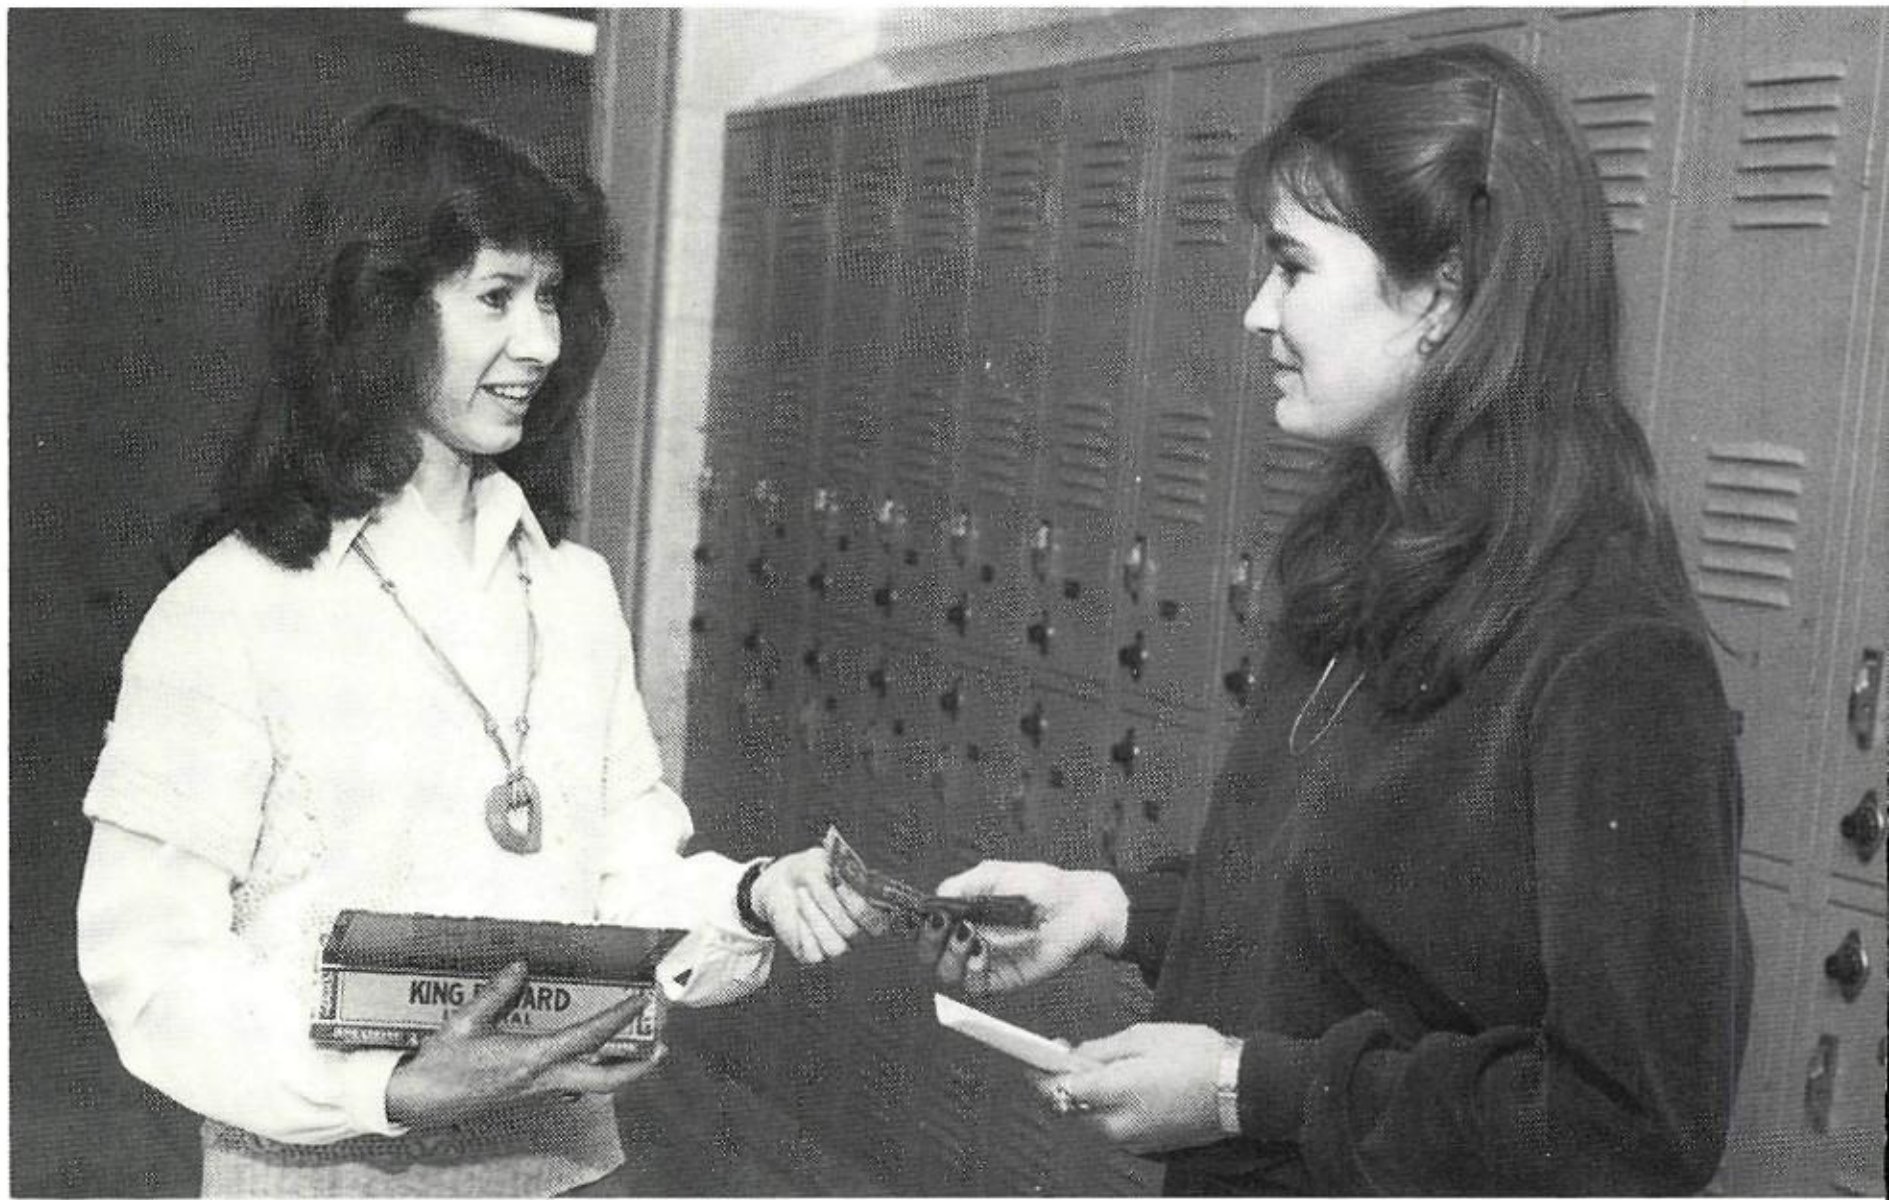

Under the guidance of their faculty sponsor, Ms. Judy Langley, club members sold candy for special projects, sold Easter treats to students, and visited nursing homes throughout the year. For their special project, Octagon club hosted the Louisiana State Officer's Conference. Overall, the Octagon Club had a very successful year.

Spanish Club Learns Traditions

Captain Shreve's 1979-80 Spanish Club's main purpose was to learn more about the customs and lifestyles of Spanish speaking nations.

El Club de Español, the Spanish Club, performed a Spanish skit at and hosted the Inter-language Christmas Party. The members dined frequently at local Mexican resaurants to learn more about the lifestyle of Spanish speaking people, and emerged victorious in the language clubs' volleyball tournament.

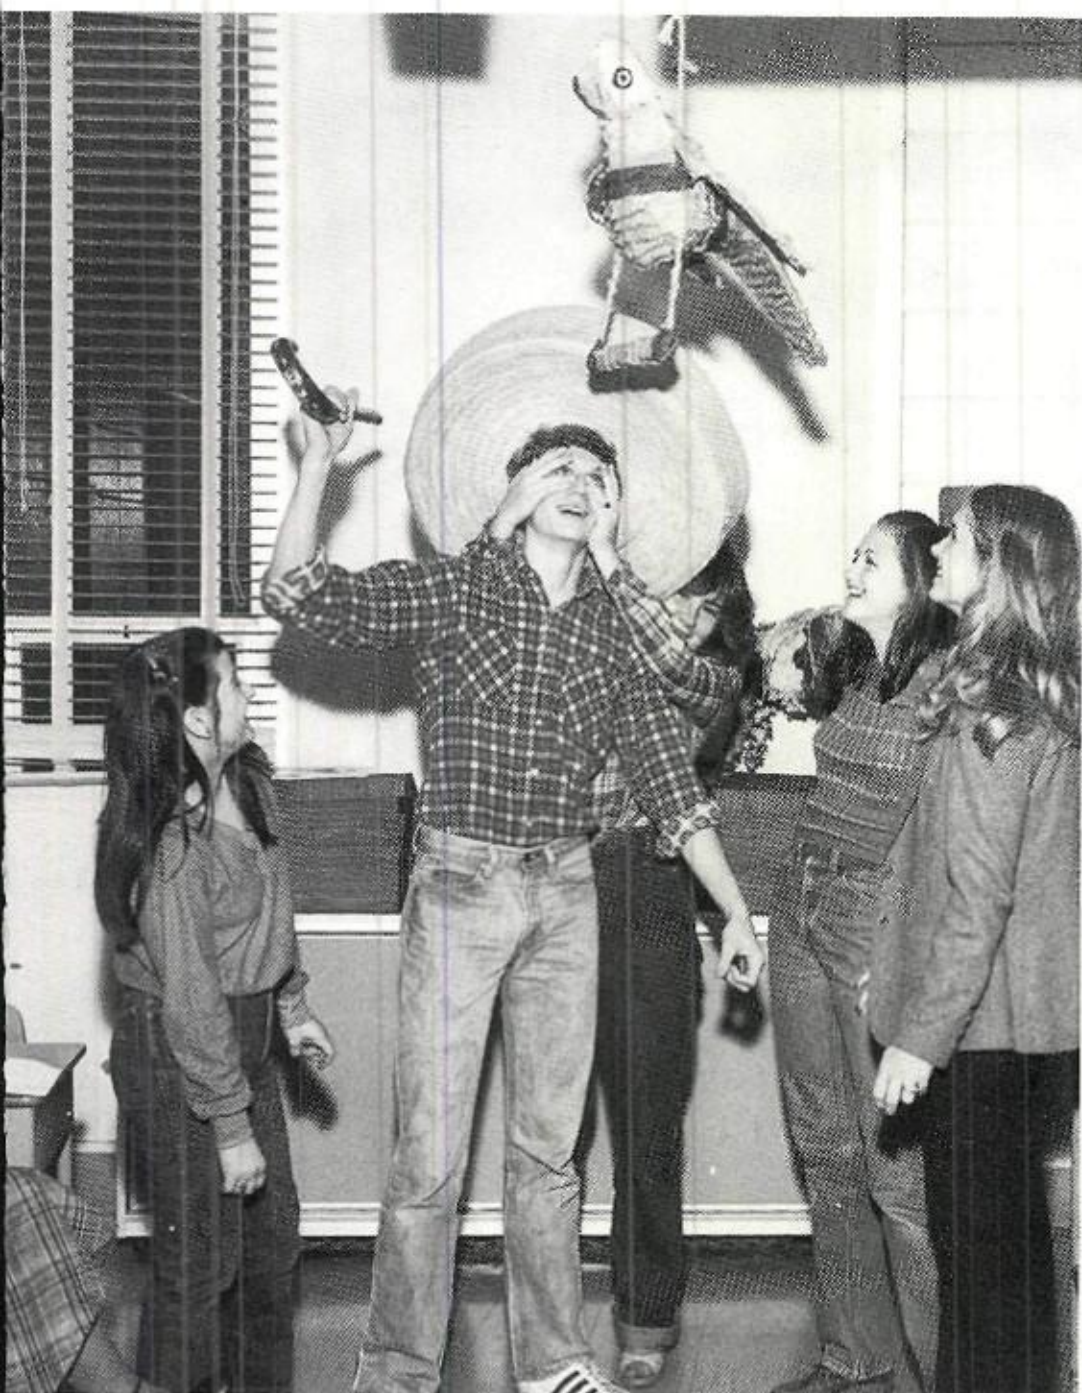

Each club member was required to have at least one Spanish credit or be currently enrolled in Spanish.

4-H Helps Our Community

An active 4-H club is an asset to every school and community. The 4-H Club at Captain Shreve provided its members with a deeper appreciation of the practical every day aspects of living. During the year, 4-H members were encouraged by their sponsors, Mr. Veillion and Miss Obee, to develop their own individual projects. Through these projects, students endeavored to recognize and pursue their talents in the areas of home economics, photography, and agriculture.

4-H offered opportunities for participation and recognition of outstanding accomplishment at the local, state, and national level. Participation in club activities led to decisions that concerned future occupations.

Computer Club Provides Useful Knowledge

The 1979-80 Computer Club gained a knowledge of the importance of computers in today's world through various activities performed inside and outside of school. Such activities included field trips to Tri-State Oil, Innovative Data, Barksdale Air Force Base, and the Caddo Parish School Board office. Also available to Computer Club members were opportunities to hear speakers in the fields of computer science, banking, and petroleum engineering. In order to participate in these activities, students had to be enrolled in both Advanced Math and Computer Programming. Under the direction of Mr. Otto Sellers and Mrs. Darien Lauten, Computer Club members were given opportunities to learn about computers and their increasing amount of influence in today's society.

FHA Helps Community

Future Homemakers of America performed many activities during the 1979-80 school year that were of great service to the community.

Under the guidance of Mrs. L. B. Mitchell, they attended District, State, and National meetings. They also delivered Easter treats to LSU Medical Center and visited the hospital and local nursing homes every month. All these things helped the community and made its members more aware of its needs.

FHA helped its members by teaching them home economics in areas of personal growth, family life, vocational preparation, and community involvement.

FCA — Centered Around Christ

FCA, the Fellowship of Christian Athletes, taught members ways to bring Christ into their lives. Before every football game, FCA teammates joined together for a discussion and a final prayer before entering the football stadium. Sponsor, Coach Tommy Powell shared his experiences and organized the athletes to be interested in living their lives centered around Christ. A purpose for FCA was to build character, and strengthen leadership abilities.

The Challenger Award, given to the most outstanding Christian leader in the school, was presented this year to Ronnie Wagon at the annual Challenger Awards Banquet held at the Convention Center.

FBLA Teaches Leadership

FBLA, Future Business Leaders of America, cooperated with the school to create more interest and understanding in the intelligent choice of business occupations. FBLA gave experience with the business world, which could not be equaled in the ordinary school situations, and encouraged its members to improve the home and community. Members were given the opportunity to participate in district, state and national conventions. They also learned the importance of responsibility through various fund raising projects.

Under the direction of Mrs. Flanagan, Mrs. Leviston and Mrs. Coleman, the students who took advantage of FBLA developed competent, aggressive leadership qualities.

Ad Staff Works Hard

Captain Shreve's Ad Staff worked harder than ever to make this year's football program the best ever.

They sponsored a football banquet, sold and produced football programs, and advertised for booklets. For homecoming, the ad staff produced a special supplement to the football program.

During the 1979-80 school year, the football ad staff contributed much to the enjoyment and participation of football at Captain Shreve High School.

Enterprise Informs Captain Shreve

The Enterprise Staff, under the supervision of Mrs. Gaye Gannon, worked diligently during the 1979-80 school year to keep Captain Shreve students informed. Besides their usual ten issues, the Enterprise staff also put out a special Homecoming issue, a Valentine's issue, and a special Senior edition. In the regular editions the Enterprise informed the student body on both school and community events. They did this through articles about people in the news, pictures of interesting places and objects, and movie and album reviews.

Art Club Beautifies Shreve

Captain Shreve's 1979-80 Art Club was sponsored by Mrs. Harris and Mr. Fitzpatrick.

This club served to enrich the year for not only its members, but also the rest of Captain Shreve's student body. The members did this by displaying several charcoal, ink, chalk, and watercolor designs, landscapes, and still life in the office. This made our school much more attractive to not only students and faculty, but to visitors as well.

The members also decorated the Homecoming Court's box used during the game.

Modern Dance Performs for Shreve

Modern Dance, a new club at Captain Shreve sponsored by Mrs. Jenkins, was brought about to expose Shreve students to the art of modern dancing and to give its members a chance to show their abilities. They did this by performing at half times during basketball games.

Julianna Palmer, a Captain Shreve student and accomplished dancer, worked diligently with Mrs. Jenkins as associate director. Together with the members of the club they brought forth the best possible programs to the audiences.

TOP LEFT: MODERN DANCE OFFICERS ARE — Mrs. Jenkins (sponsor), Teresa Blake, Jackie Jewett, Everett Silas, Julianna Palmer. Tournament Class Brings Home Trophies

Captain Shreve's 1979-80 Tournament Class participated in many tournaments this year. They took weekend trips to tournaments all over the state. Some of these were at L.S.U. Shreveport, New Iberia, Northwestern State University, Accadiana, Pine Ville, and Byrd High School. They also participated in the District Tournament at Lake Charles and hosted the Captain Shreve Forensics Tournament. They also went to the State Championships at L.S.U.S. Sponsored by Mrs. McKellar, the Tournament Class, through these many achievements, proved to be of value to Shreve.

LOG Staff Works Side by Side

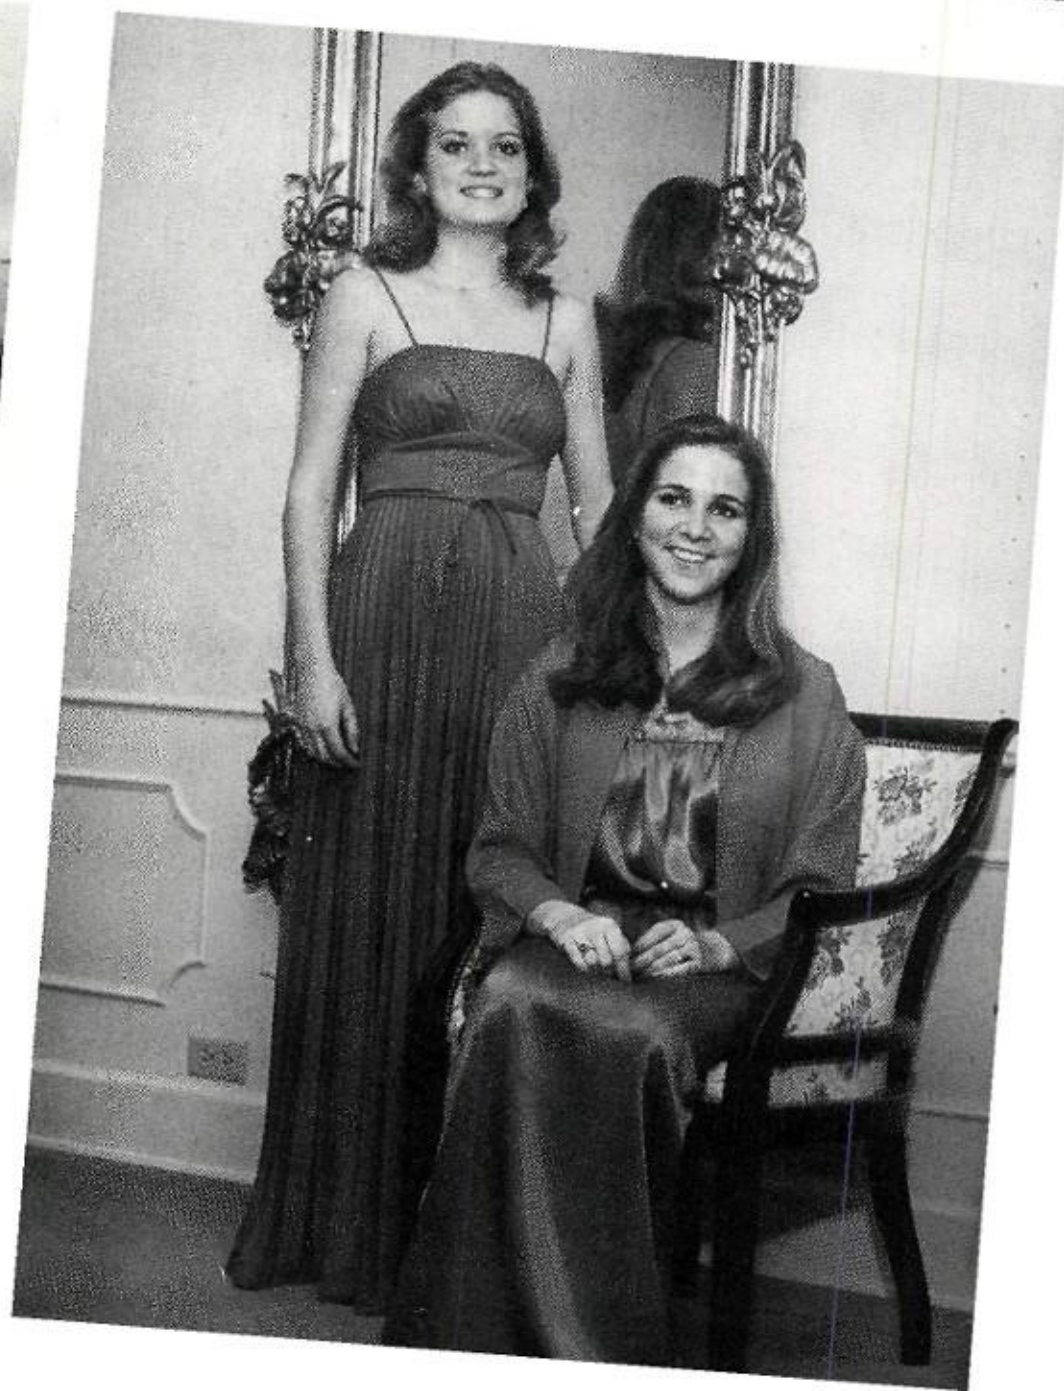

The 1979-80 LOG Staff worked throughout the school year in order to assemble this year's 408 page annual. Under the direction and supervision of Mrs. Dorothy Flanagan, LOG Staff members worked side by side while forming this year's LOG.

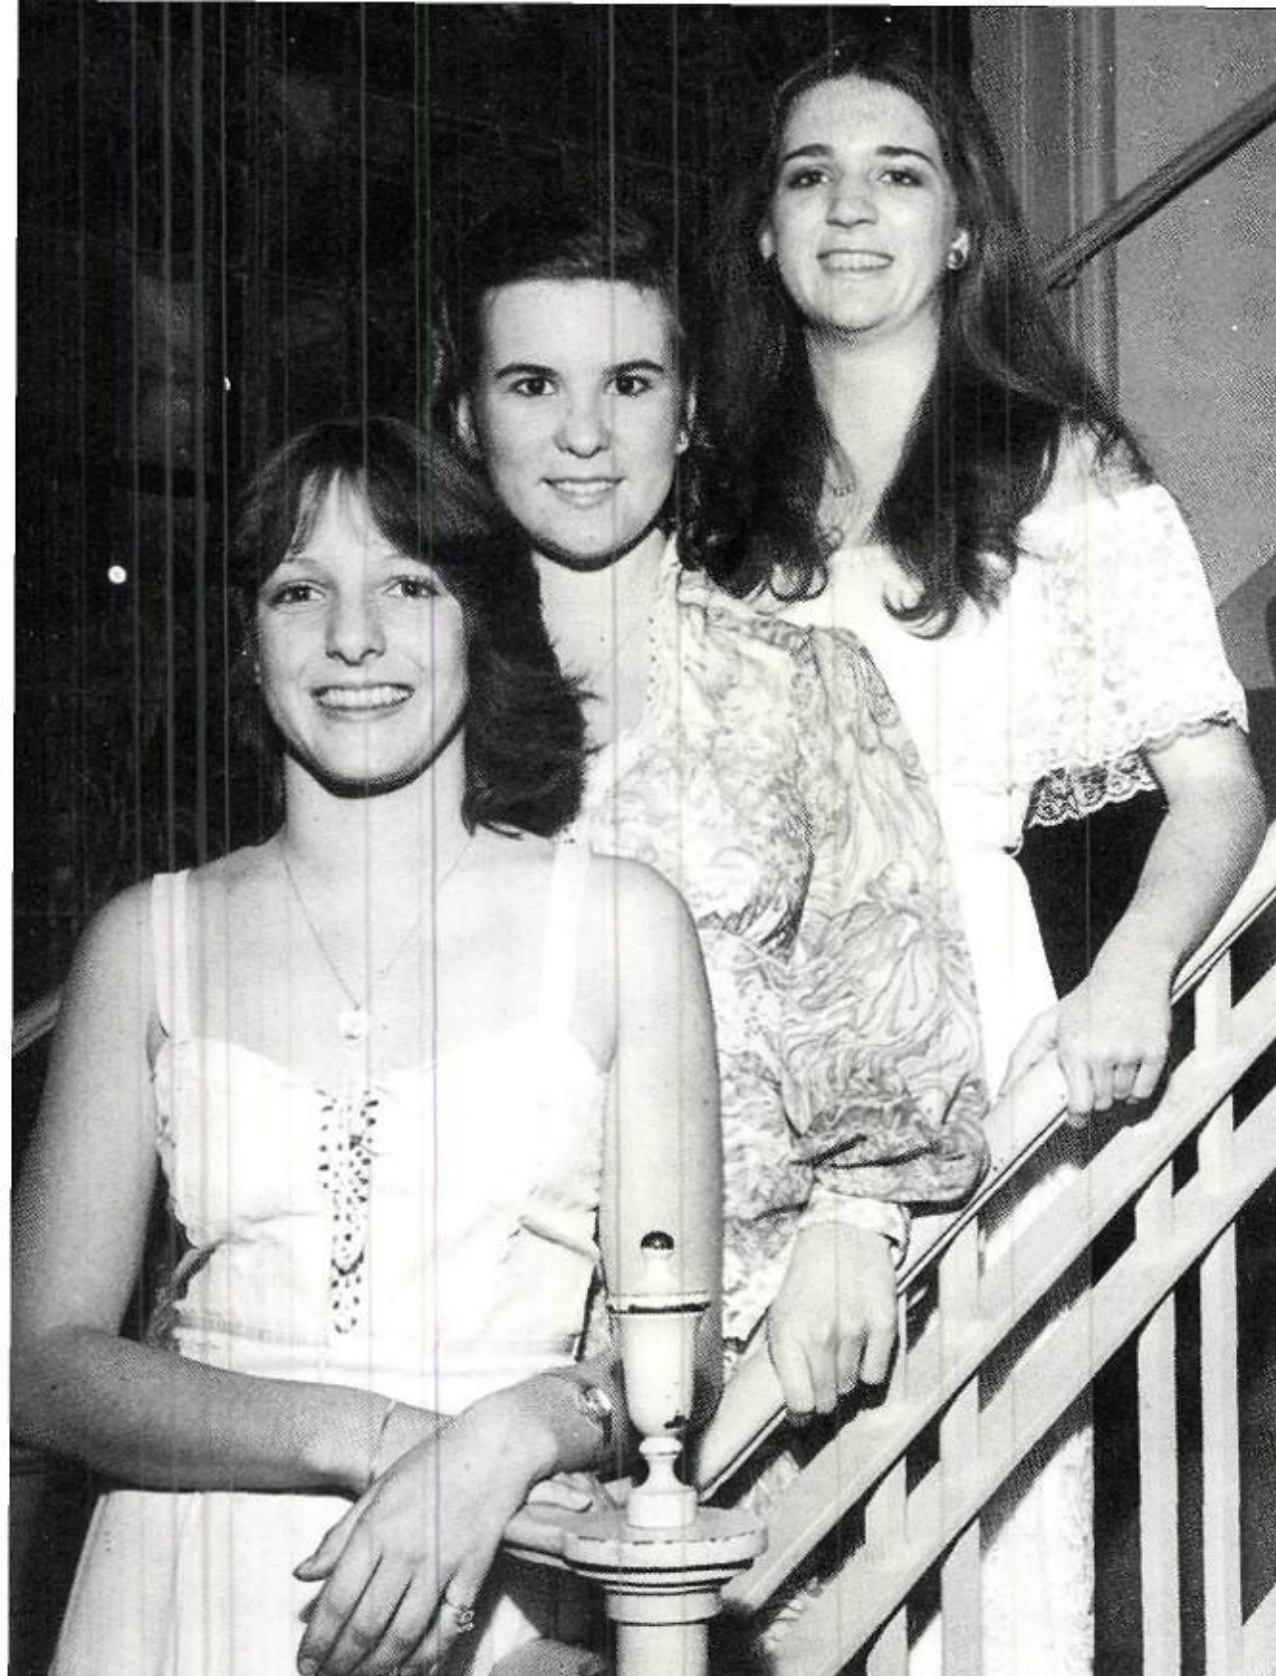

With the guidance provided by editors John Holloway, Rose Kondrat, and Holly Herbert, the entire staff worked year round at organizing this year's yearbook. In the summer, a yearbook camp was held so that the preliminary layout of the book could be made. In the fall, pages began to take form as pictures were scheduled and taken, and layouts put into final form. As the completion of the book neared in the spring, each staff member anxiously looked forward to the arrival of the 1980 LOG.

At Captain Shreve High School

Mr. and Miss Captain Shreve

CLYDE DORNIER
ANNA LATHAM

1979-80 MR. AND MISS CHOSEN

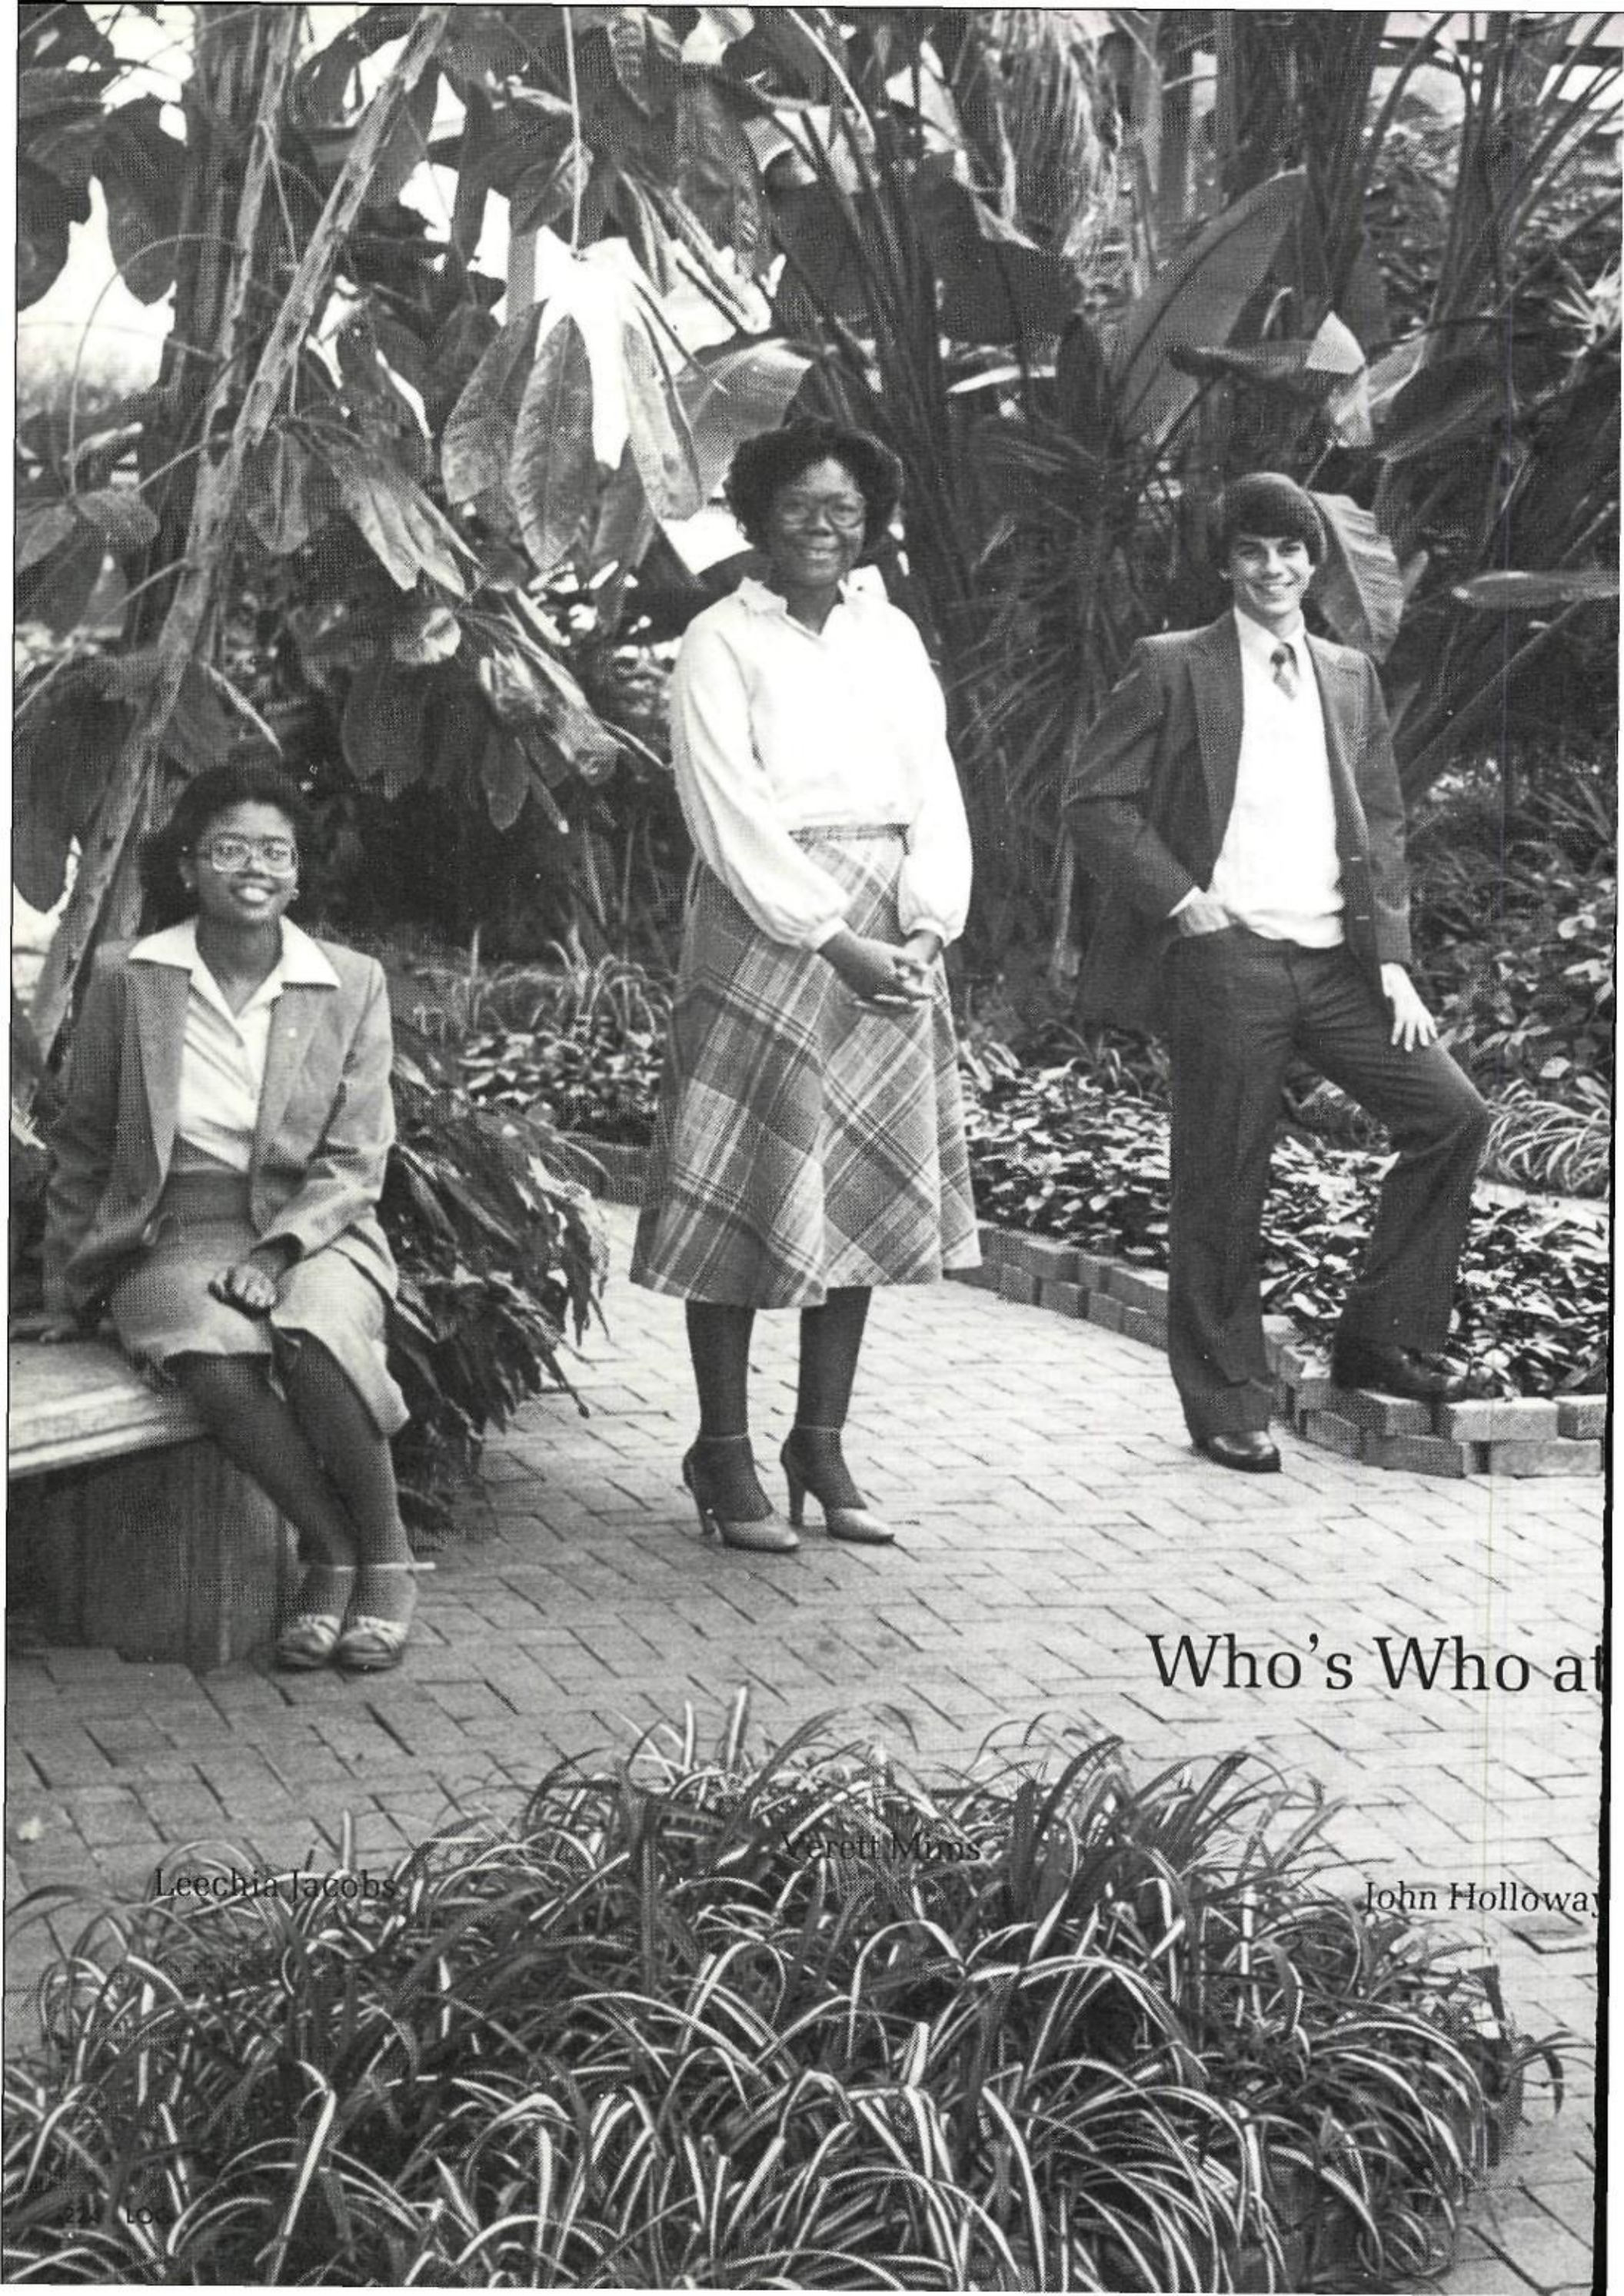

Each year the LOG Staff honors two seniors who have best exemplified the outstanding student throughout their high school education. This year Anna Latham and Clyde Dornier were chosen. Both Clyde and Anna, throughout their years at Captain Shreve, excelled highly in both academics and extra-curricular activities. In the process of doing so, both helped to maintain Captain Shreve's good name.

The activities of these two students are numerous. For three years Anna was a member of Z-Club and served as club president her senior year. Also as a senior, Anna represented Captain Shreve at Girls' State, served as Captain of the Pep Squad, and received the Good Citizenship Award. Other activities included active membership in Computer Club, National Honor Society, and Mu Alpha Theta. Clyde, likewise, proved to be active

in student affairs. Having been a member of ROTC for three years, he was chosen as Caddo Parish Cadet Corps Commander his senior year. Serving on the student council for three years also, Clyde was elected to serve as president of the student body this past year. Additional activities included full membership in National Honor Society, Mu Alpha Theta, and Latin Club. As a senior, Clyde also attended Boys' State, served as vice-president of Interact, and was chosen by the faculty as a member of Captain Shreve's Who's Who. Through these various activities and honors both of these students truly earned the titles of Mr. and Miss Captain Shreve.

Faculty Selects 1979-80 Who's Who

In accordance with tradition, the 1979-80 faculty once again selected six students to represent Captain Shreve's Who's Who. These students were chosen on the basis of high achievement in both academics and extra-curricular activities. The six seniors chosen this year all proved to be worthy recipients of such an honor.

Clyde Dornier participated in Latin Club, ROTC, Interact, Student Council, NHS, Mu Alpha Theta, and Drama Club. As a senior, Clyde served as a delegate to Boys' State and as Student Council President.

John Holloway held active membership in NHS, Mu Alpha Theta, Computer Club, and Quill and Scroll. As a senior, John served as a delegate to Boys' State, president of Interact, and editor of this year's *LOG*.

Karen Purdy was active in French Club, Latin Club, Pep Squad, and Mu Alpha Theta. As a senior, Karen served as president of both the Computer Club and NHS, acted as commander

of the Drum Corps, and was a member of the Captain Shreve Quiz Bowl team.

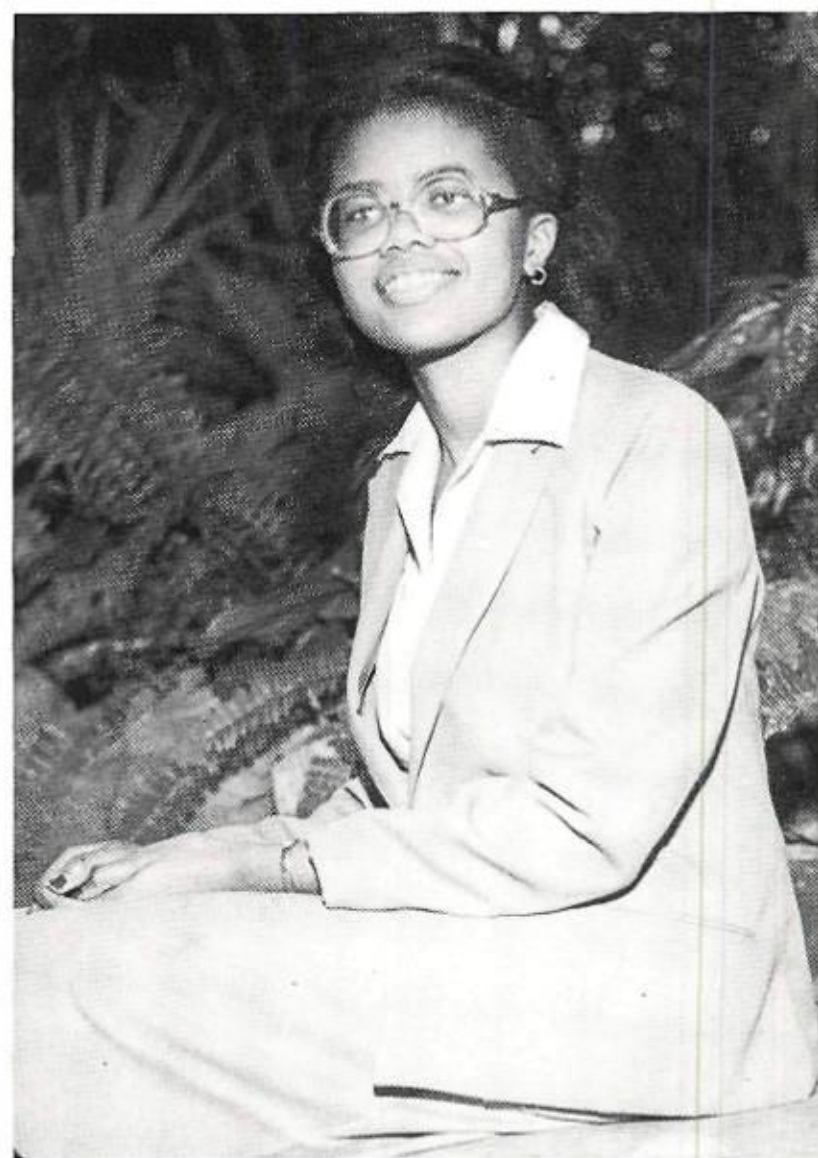

Leechia Jacobs was active in such organizations as French Club, FBLA, NHS, International Thespians Society, ROTC, Quill and Scroll, Drama Club, and Octagon. This past year, she served as editor of the *Enterprise*, acted as Captain Shreve News correspondent for the South Towne Courier, and was on the board of the 4-H club.

Curtis Holmes was a member of the Student Council, NHS, Mu Alpha Theta, Computer Club, and varsity basketball. This past year, he served as president of Black Studies, attended Boys' State, and received the Psi Phi Good Citizenship Award.

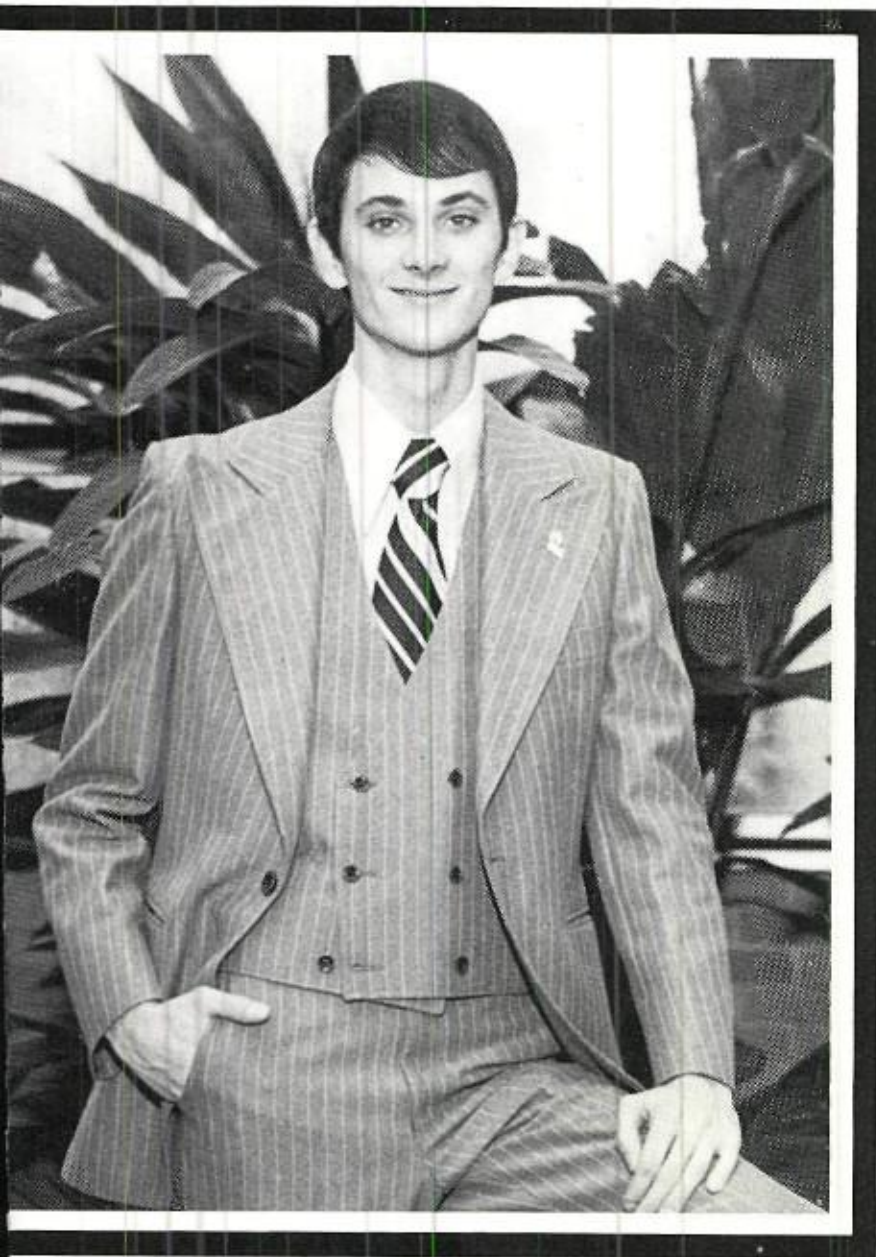

Verett Mims held active membership in NHS, Computer Club, Mu Alpha Theta, and French Club. During her senior year, she served as secretary of the band, vice-president of Black Studies, and as a student council senator.

NHS

Develops Excellence

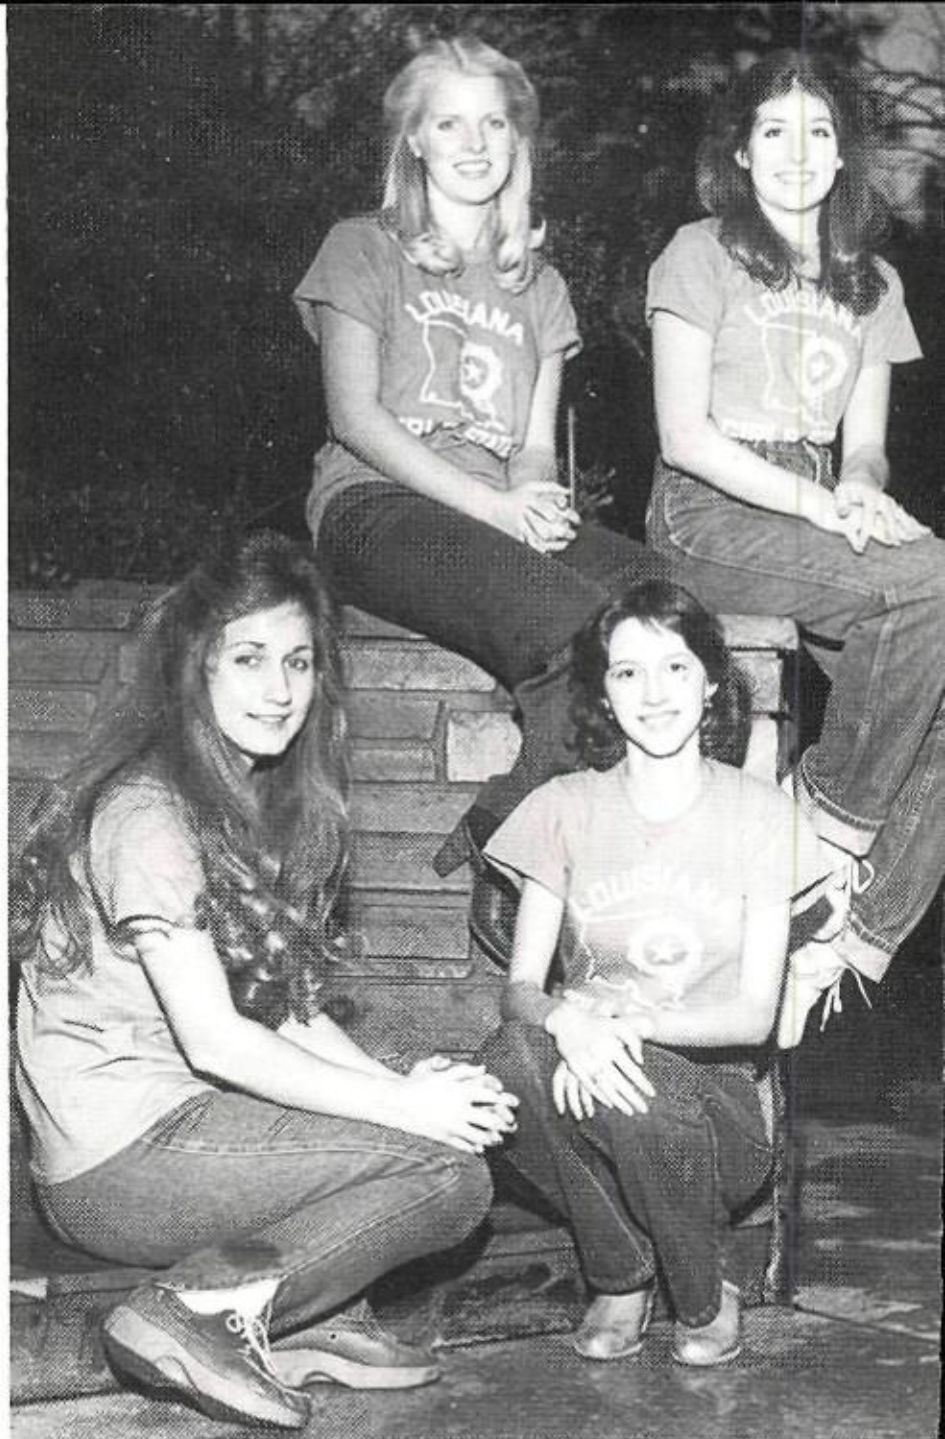

The 1979-80 Captain Shreve National Honor Society was comprised of students who worked to give our school a good name not only through academics but also through their many other activities. Under the direction of Mrs. Wynn, each member of NHS was required to maintain a 3.3 grade point average and to hold active membership in at least two school sponsored organizations. Along with these qualifications, each member was required to usher at the Shreveport Little Theater on various occasions throughout the school year. Through these services, NHS proved to be a group of students who played a considerable roll in the forming of Captian Shreve's honor.

Pelican State — An Unforgettable Experience

At the end of the 1978-79 school year, four girls and seven boys were chosen from the junior class to represent Captain Shreve at the annual Pelican State convention held in Baton Rouge on the LSU campus. Representing Captain Shreve at Girls' State were Anna Latham, Becky Reeves, Janet Jimes, and Dina Bennett. Representatives to Boys' State were John Holloway, Clyde Dornier, Troy Fore, Michael Aura, Edward Cloyd, Craig Prothro, and Curtis Holmes. While at Boys' State and Girls' State these students participated in a week-long ordeal in which they laboriously organized and ran their own governments. In the process of doing so, each student followed restrictions similar to those of a military camp. Even though males were totally separated from females, a dance and two joint convocations were held for the boys and girls to enjoy together. Despite the endless hours of work and the many sacrifices of dorm life, these students made friends and gained an experience never to be forgotten.

CS Thespians Are Well Respected

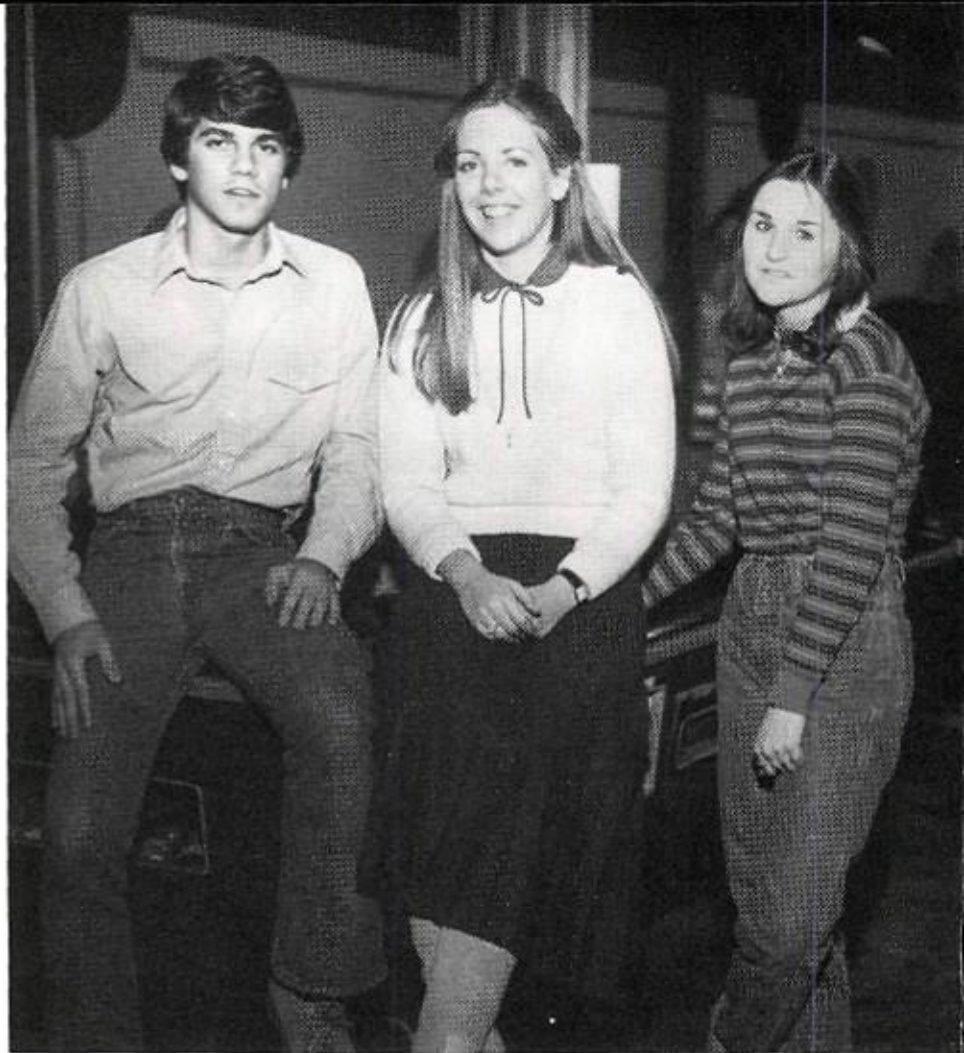

The International Thespian Society is an honorary organization for drama students who have worked for a minimum of 100 hours in theatrical endeavors. This includes plays here at Shreve and in the community. Thespians invested an innumerable amount of time and effort in order to make the plays here at Shreve the best ever. Throughout the year these students worked in many different theatrical areas such as acting, lighting, costumes, props, and hospitality. With the success of *Black Comedy* and *Johnny Belinda*, the two plays produced this year, it was easy to see the talent at our school. Through these activities Thespians proved to be a valuable asset at Shreve.

Quill and Scroll — Write On!

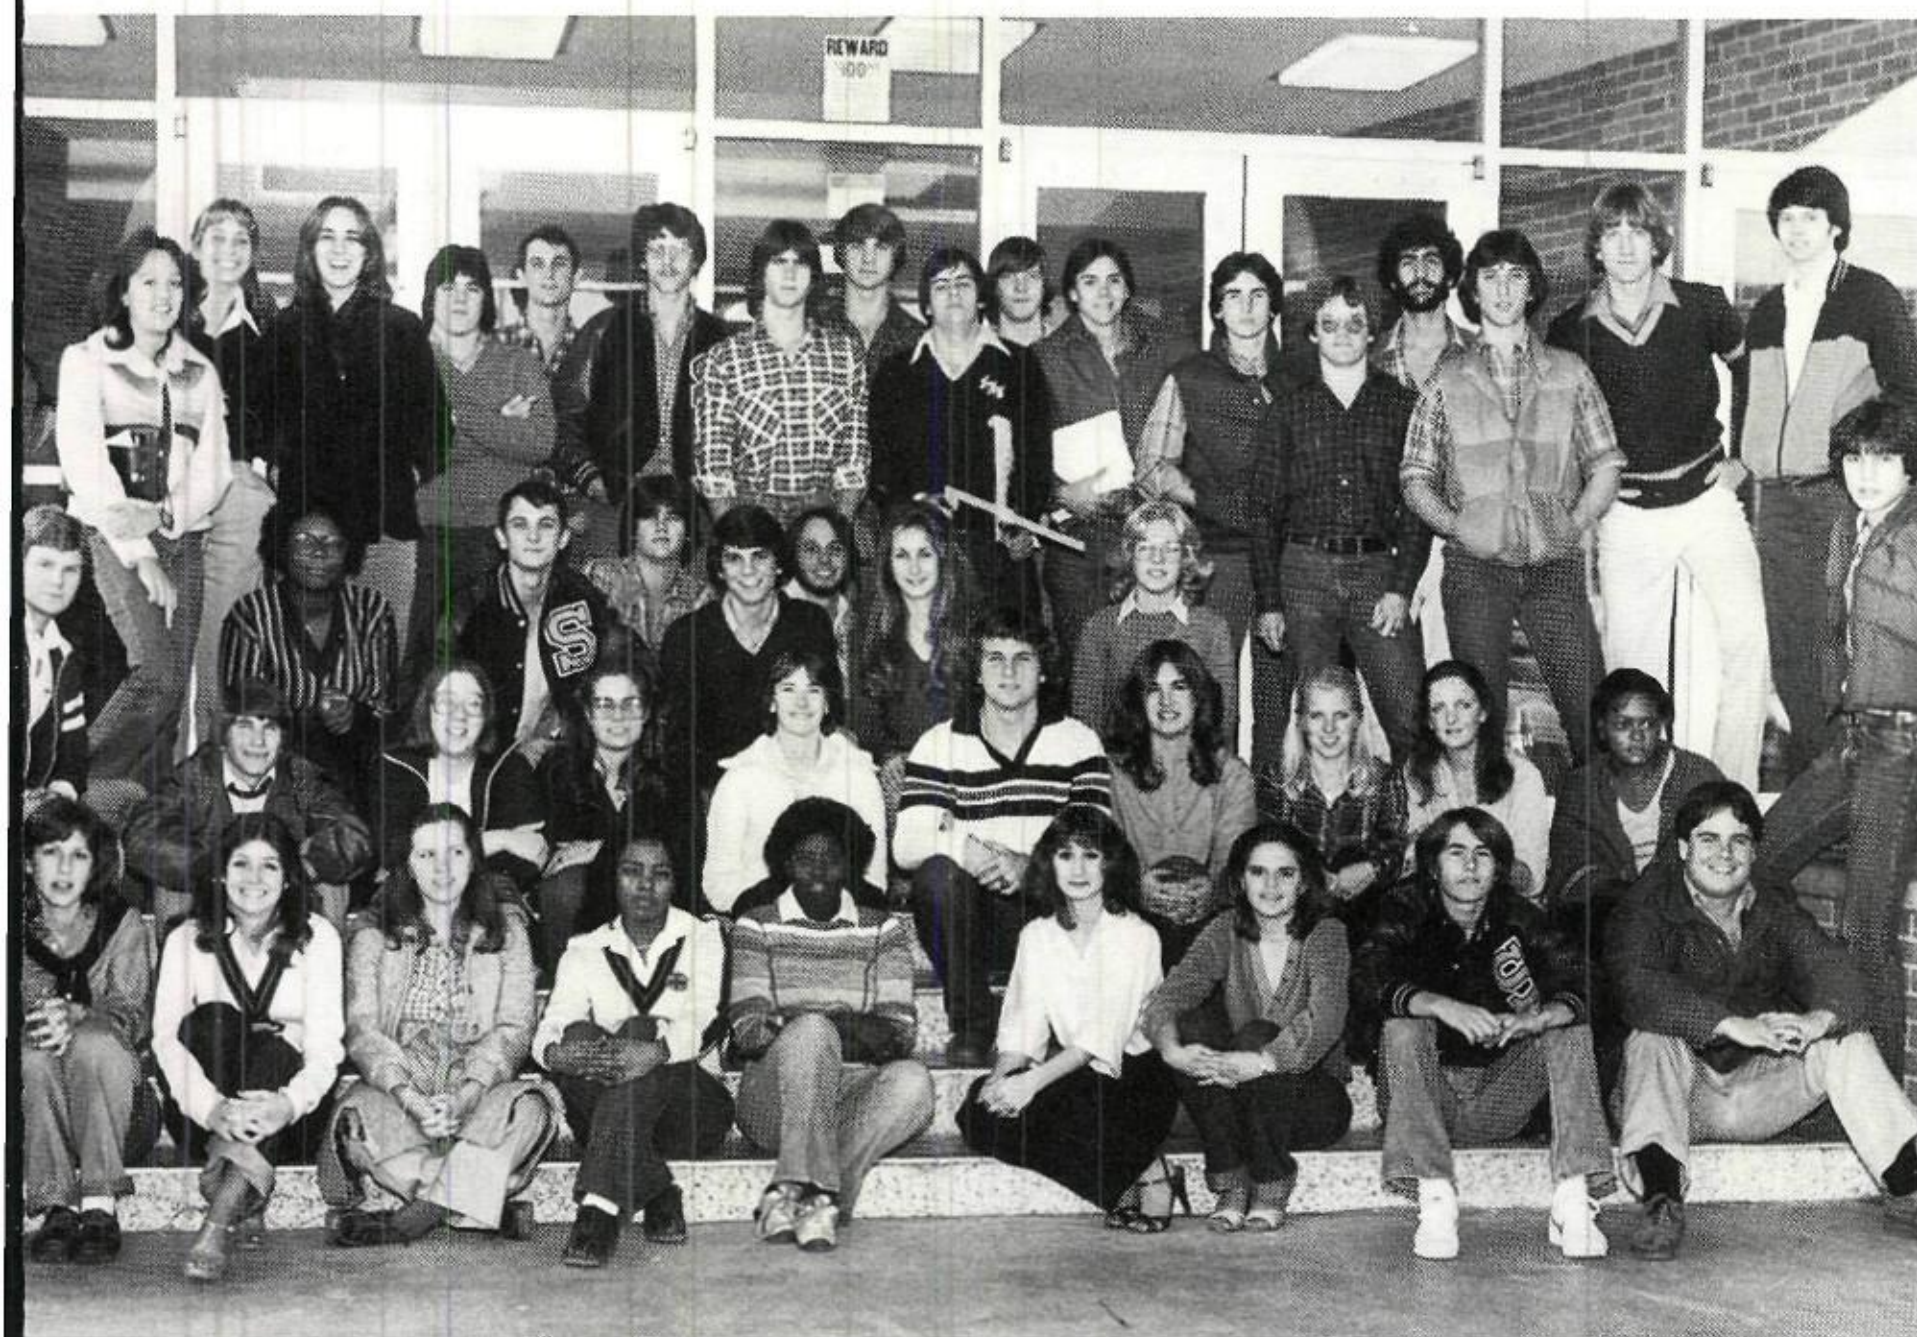

Students involved in one of the three publications here at Shreve were selected and inducted into the honorary organization for superior journalists, Quill and Scroll. Juniors and Seniors who maintained a 2.5 grade average and worked on the ENTERPRISE, FOOTBALL AD STAFF, or the LOG were chosen by the sponsors of each publication. In addition to these basic requirements, their writing skills must have been top quality as expected here at Shreve. In honor of this accomplishment students received gold pins and a subscription to the bi-monthly magazine published by Quill and Scroll.

Students Learn Through MU Alpha Theta

The 1979-80 Captain Shreve Mu Alpha Theta, co-sponsored by Mrs. Darien Lauten and Mr. Otto Sellers, consisted of those students who, throughout their high school education, kept certain standards in their mathematics curriculum. Such standards included maintaining a 3.0 grade average in all mathematics courses and being enrolled in advanced math. Along with having these requirements, Mu Alpha Theta members made plans for conducting a calculator seminar which was available to all students. Members also learned through various activities of the many different careers available in mathematics. Through these activities, Mu Alpha Theta proved to be not only an honorary organization but also a valuable learning experience.

The 1979 Homecoming Court

Homecoming '79

The twinkling Gatolette crown and the R.O.T.C. arc of Sabres set a traditional atmosphere for the presentation of the 1979 Homecoming Court. The court was honored by the entire crowd during half-time of the Natchitoches football game. The following evening, students and teachers danced to the sounds of the Ivory Bull Band.

Miss Sandra McCalla crowned Donna Turnham queen. Other members of the court included Bev Crooms, Becky Reeves, Janet Kent, Dina Bennett, and Tammy Thoma who represented the Senior class. Tanya Gandy, Sarie Joubert, and Laura LeGendre represented the Junior Class, Laura McNeil and Jodi Moore represented the Sophomores, and Vicki Barr represented the Freshmen.

1979 State Quarter-Finalists

The Captain Shreve Gator football team ended the 1979 season with a 3-4 overall average. In district play the Gators victory over Bossier, Airline, Natchitoches, and Parkway gave them a 4-1 district record and placed them second in 2-A AAAA Louisiana high school football division.

The football team, under the direction of Coach Lee Hedges, opened the season by defeating West Monroe, Fair Park, and Ouachita. They fell in the fourth and fifth game to Southwood and Woodlawn. They came back to win the next three district games. The Gators ended the season with a reassuring spark for next year.

Shreve wins by field goal

Captain Shreve Fair Park

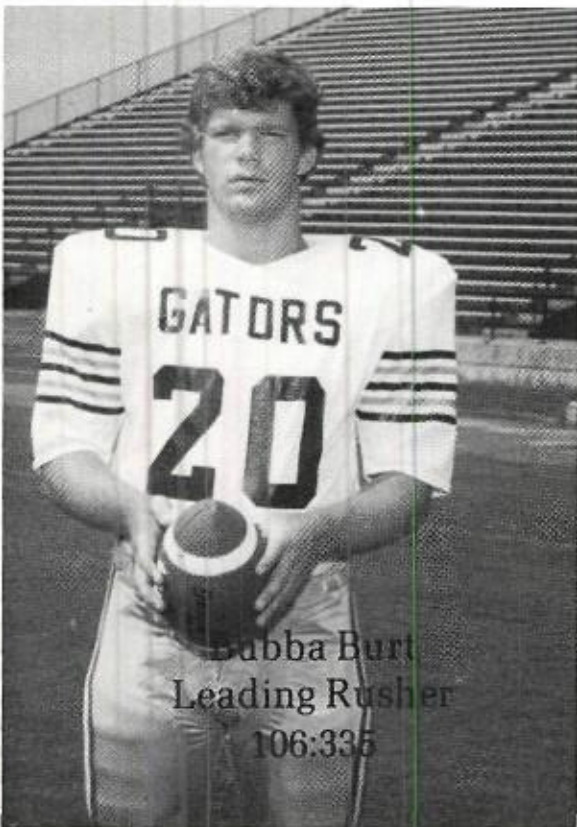

It was Scott Martin's 25-yard field goal with only 17 seconds to play that finally broke a scoreless tie and left Captain Shreve with a 3-0 victory over Fair Park.

The kick, Scott's second opportunity after a "roughing the kicker" call back on the 18 four plays earlier, put Shreve into the state quarterfinals for the first time since 1973 when the Gators won the state championship.

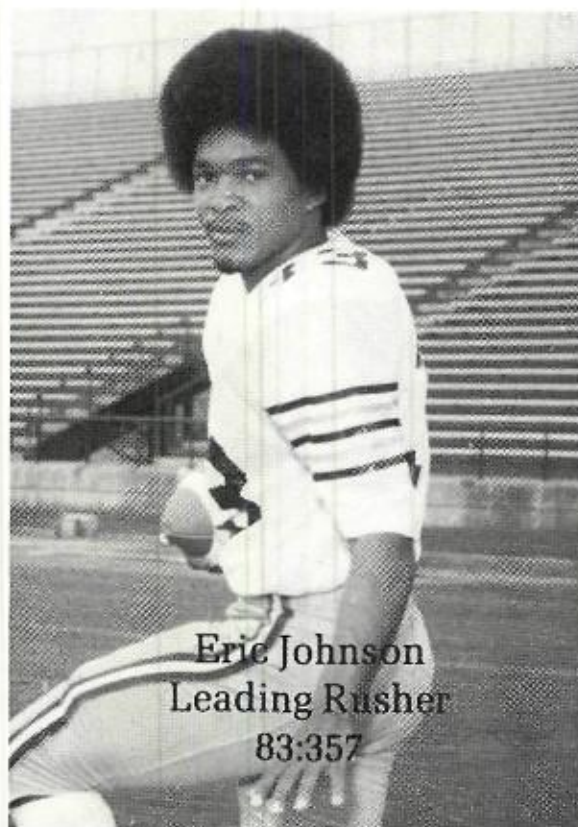

The Indians lost one of their best opportunities to score when Slater returned a punt from his own 40 to the Gator 23 in the third period, only to have it returned because of an illegal block.

Gators Edge Past Rebels

CS	14
W. Monroe	13

Captain Shreve erased a 13-0 first half deficit and turned it into a 14-13 come-from-behind victory over West Monroe Rebels. The Rebels pinned the Gators inside their 35 for all but two minutes of the first half while scoring 13 points. After the first Rebel TD Marty Regan broke through the middle to block the extra point try.

The Gators then were forced to begin their comeback which was fueled by a six yard run from an intercepted pass by Marty Regan for the first Gator TD. Bubba Burt then rammed over from the one and Scott Martin added the deciding extra point with :59 seconds showing in the game.

Gators Down Fair Park

CS	9
Fair Park	6

The victory over Fair Park may have been rewarding but it was an all-together slow ball game. Fair Park found 145 yards taken away from them by penalties and the Gators lost 62. Captain Shreve took the lead in the first quarter with Scott Martin hitting a 30-yard field goal after a 12-play drive fizzled on Fair Park's 13. Neither the Gator nor the Indian offense played up to par and it took a Gator defensive play to win the battle. Marty Regan picked off a Fair Park pass and carried it 26 yards untouched to win the deciding points. Fair Park scored its only TD in the middle of the 4th period but that was the last time Fair Park had the ball. The clock ran out as the CS offense moved the ball to the Indian one.

Southwood Squeaks by Gators

CS	3
Southwood	7

Captain Shreve just couldn't seem to put it together, and the rain and mud didn't brighten anyone's spirits. On Shreve's first possession, there was a high snap over punter Bubba Burt's head, but he scrambled around inside his own 10 and got out of trouble on the run . . . avoiding a probable Cowboys' score. With 5:14 left in the third quarter, Jeff Hightower intercepted a Southwood pass deep in Cowboys territory to set up Scott Martin's 26-yard field goal. With 5:52 left in the game, a 42-yard pass play proved to be the defeating play.

Woodlawn Finds Gators Weaknesses

CS	14
Woodlawn	26

Woodlawn used two second half CS turnovers to pull out a come-from-behind victory over Shreve. In the first quarter, Woodlawn scored on its first possession driving 57 yards in 11 plays to score. Shreve came back on a 68 yard drive to score with 2:28 to go in the first quarter. Scott Martin kicked the extra point to tie the score 7-7. Early in the second period Shreve scored again on a screen pass from Ronnie Wagon to Tony Davis who went 14 yards untouched to score. Scott Martin kicked the extra point to make the score 14-7, Shreve on top. Woodlawn quickly answered the Gators touchdown with one of their own before halftime. Shreve dominated the second half but an untimely mistake allowed Woodlawn to score.

CS Airline Victory Makes Records

CS	10
Airline	7

The Airline victory was a game of records as Hedges wins its 100th game since Shreve's opening 13 years ago. Marty Regan added to the excitement with 3 pass interceptions in 1 game. The CS record for interceptions in a season is by Larry Birdsell in 1972. Regan has one more interception to tie the record and two to break it.

Shreve opened the game scoring on their initial possession going 71 yards in 9 plays. Faced with a 3rd and goal at the 5, Wagon hit Lee Moore for the score. Airline scored its only TD of the night after recovering a fumble at the Shreve 44 to tie the score. Scott Martin then kicked a 30-yd. field goal to boost the Gator score 10-7.

On the Gators' second drive of the game they marched 54 yards in 11 plays before Bubba Burt scored from the one with 4:23 on the clock. Shreve's next score was in the Gators' following possession and set up by Barry Maxie's interception of Natchitoches' quarterback Thompson's first pass. The Chiefs' defense held the Gators at the NC 16 with a 4th and 7. Scott Martin then kicked a 32-yd. field goal for a 10-0 Gators lead. Natchitoches got on the Board in the third quarter following the Chiefs' only long drive of the game by a 30-yd. field goal. Sophomore Brown Humphrey's 57-yd. punt return set up the final CS TD.

Giants Edge Gators in OT

CS	17
Green Oaks	20

The Green Oaks defeat over Captain Shreve ended all Gator's hopes of earning a District 2-AAAA football Championship. After a tremendous come-from-behind showing of the Gators the deciding points were scored in a short overtime. The Giants held a 17-7 lead when Wagnon and Moore teamed up for a 25-yard touchdown pass. Scott Martin added to the score with a PAT. The Gators quickly followed this attempt moving 71 yards on nine plays and finishing it off with a 24-yd. scoring pass to Moore, cutting the gap to 17-14. The Gators then tied the score with Martin's 25-yd. field goal.

The Gators took the opening kick-off and drove 85 yards in 9 plays for the night's initial score. Tony Davis capped the drive with a 3-yd. run. Parkway then tied the game before the half with a 6-yd. pass. Parkway gave Shreve good field position when it failed to recover an onside kick. On the third down from the 10, Wagnon hit Lee Moore in the endzone for a 14-7 lead. With just 51 seconds left in the half, Lamar Johnson scored again with a 44-yd. TD. Eric Johnson scored the fourth TD on the first play of the last period with an 11-yd. scamper around the left in. Scott Martin added his third extra point of the night for a 27-7 lead.

JV Builds Experience

The Captain Shreve Junior Varsity football team, although getting off to a slow start by losing their first game, finished their season with an outstanding record of six wins and one loss. By working hard throughout their season to build their stamina and experience, the young Gators defeated six of their seven opponents and allowed only two of them to score. The Gator team next year will be ready and experienced, assuring Captain Shreve of a good squad.

Gators Shoot for State

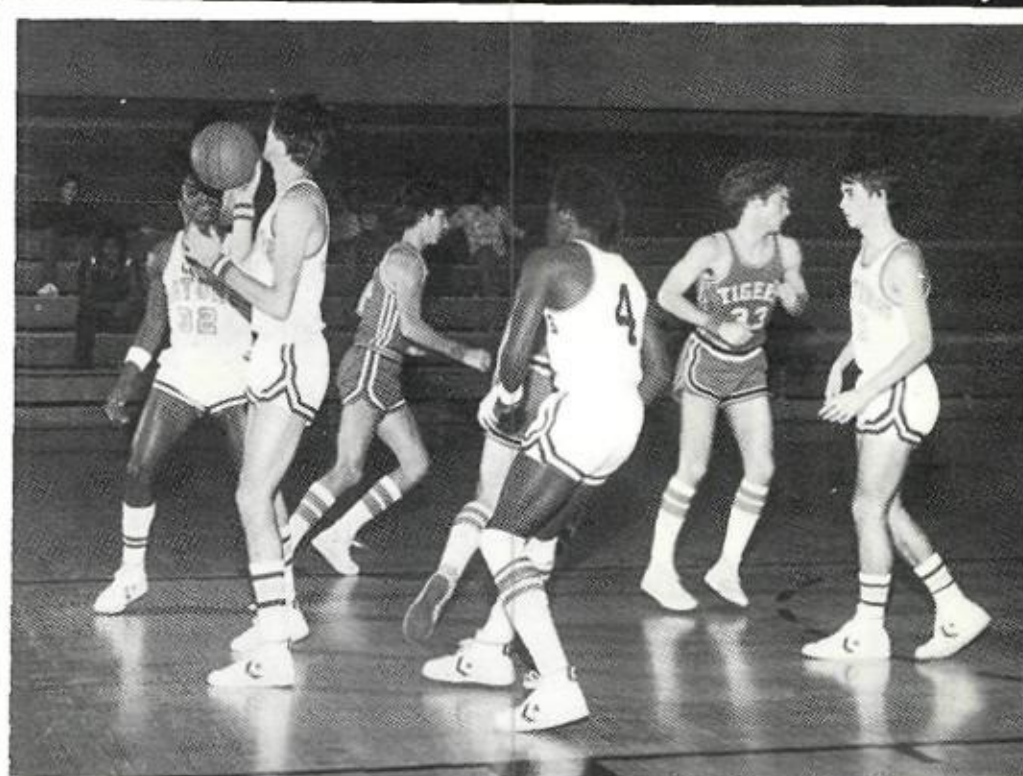

Captain Shreve's 1979-80 Basketball Team ended their season with an amazing 19-9 record, a tremendous change in last year's record. Gators kept up the hard work and pushed their way to the playoffs.

The Gator team started off their season well, placing first in the Robeline tournament and third in the Parkway tournament. The Varsity squad was composed of returning starters, Neal Carter and Curtis Holmes at the guard position. At forward position, Joe Pickett, Jason White, and Stan Smith bringing up the center position. The Gator team looked forward to a hope at State.

Lady Gators prove Victorious

The Lady Gators Basketball team proved victorious in district 2-AAAA play in the 1979-80 season coming in 2nd. Getting off to a slow start in pre-season play, the Lady Gators pulled out when district rolled around. They became known as the Cinderella team of AAAA play. The team consisted of one returning starter, Susan Goldman. She was aided by Pam Johns, Rose Kondrat, Jackie Ford, and Tina Pennywell. Coach Alma Moore had a strong bench consisting of Mitzi Bell, Sophia Kirkikis, Cathy Ware, and Paula Martin. These talented girls gained valuable experience along with personal satisfaction and made the year a winning one.

Gators Work Hard

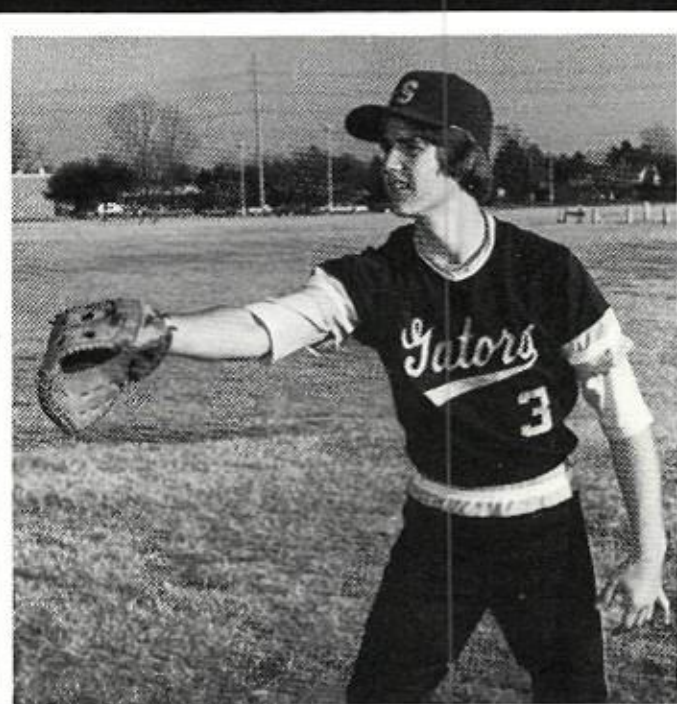

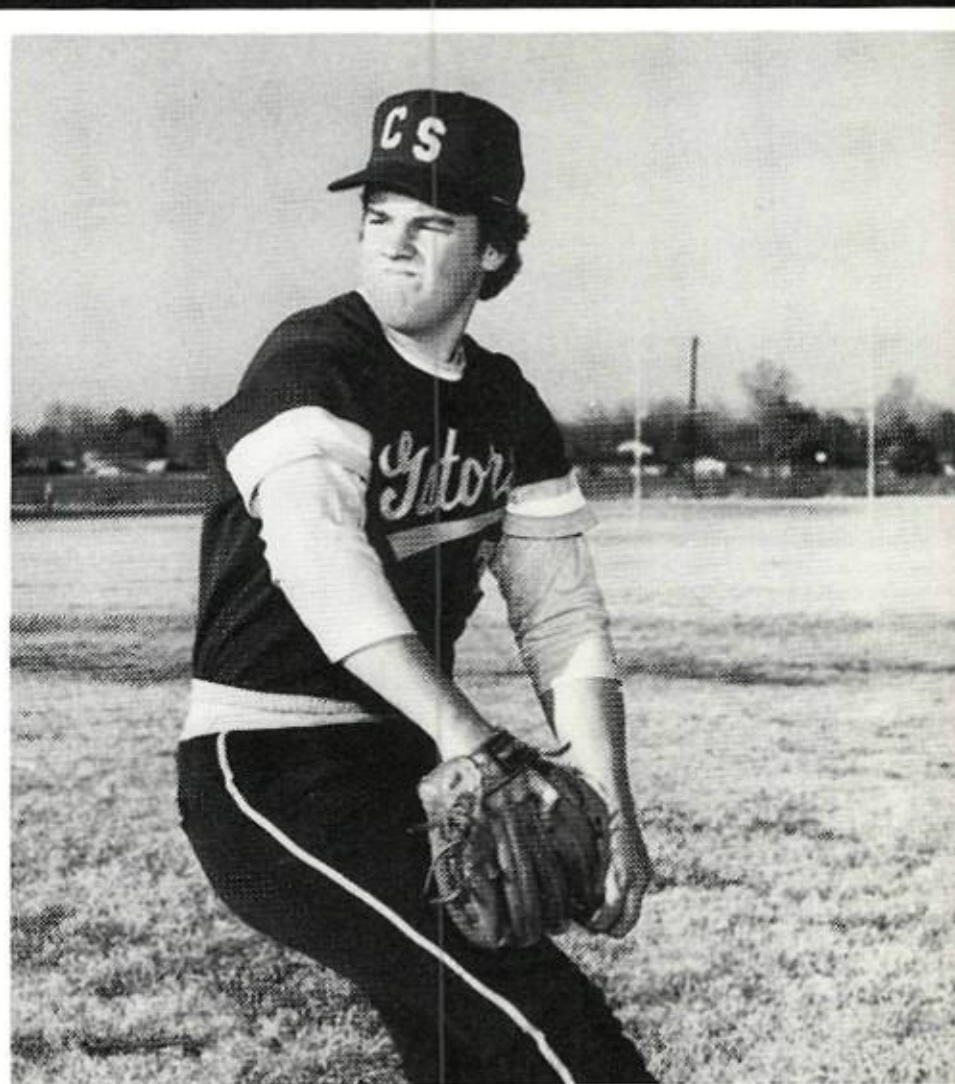

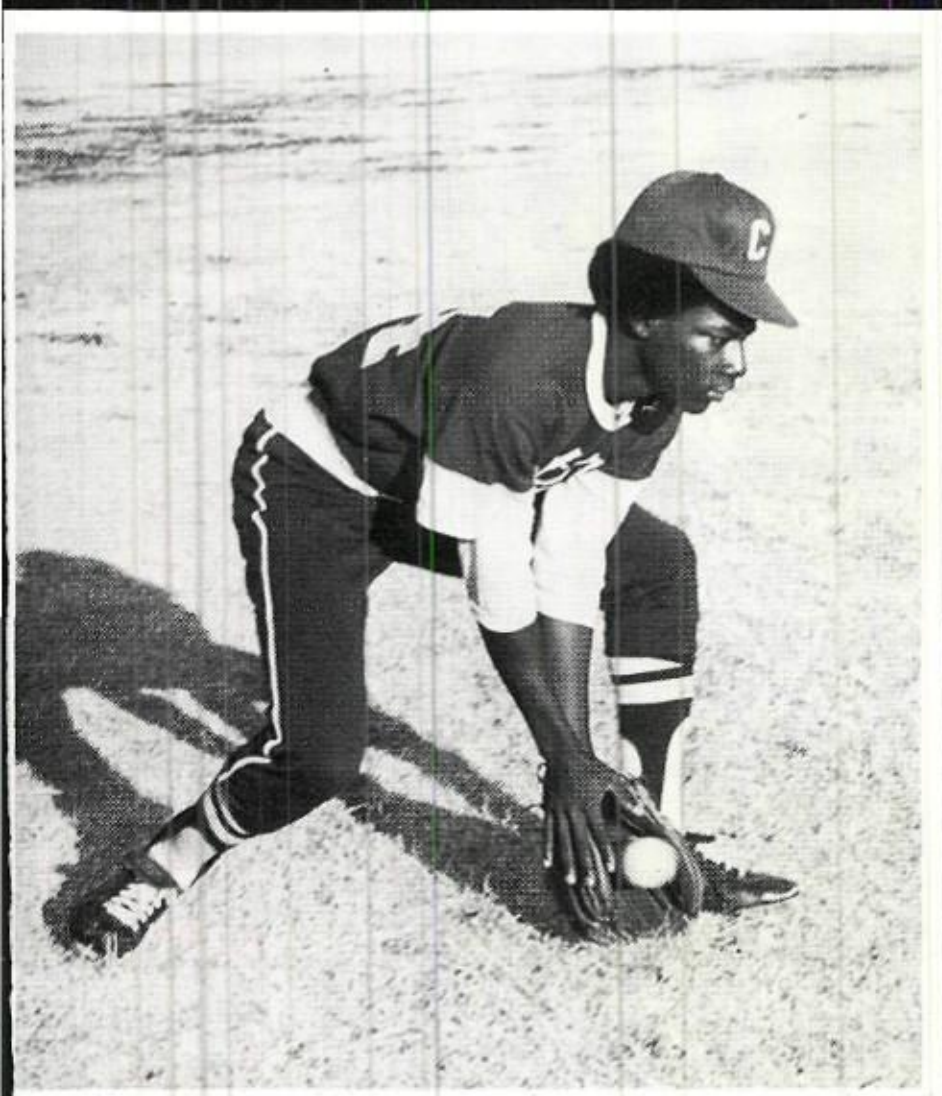

This year's Gator baseball team looked forward to a winning season. After a slow season last year, the team began practicing early this winter. The many returning lettermen provided a strong foundation for a successful team. Under the direction of Coach Leviston and Coach Conway, the squad worked hard in anticipation of a district title.

Wrestling Team Shows Potential

This year's wrestling team was under the direction of Coach Brown. The team consisted of sophomores, juniors, and seniors who contributed greatly to its success. Even though the team wasn't a winner in every wrestling match, members all gained a very valuable experience for next year. Outstanding wrestlers for this year's team were Danny Holmes, Todd Wolfram, Jeff Teague, Vincent McDay, and Eric Horton. The Gators look forward to having several other outstanding wrestlers back for next year such as Tom Agee, Robert Walker, Ben Adams, Benjamin Jamison, and Sam Chislom.

Tennis Team Going to State

The 1979-80 tennis team anticipated a very successful season this year. Last spring the Gator tennis team went undefeated and dominated state while the boys' team also went undefeated in match play and taking a third place berth in state.

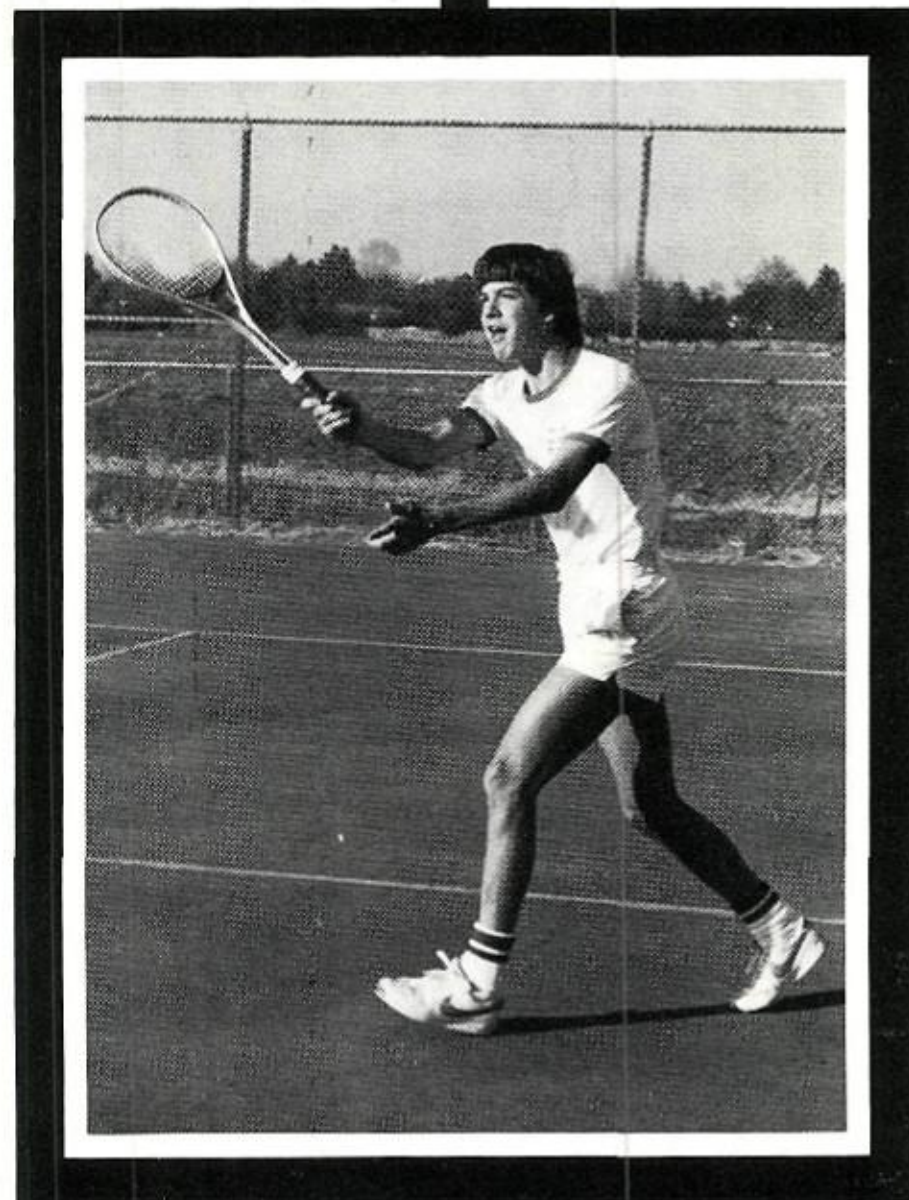

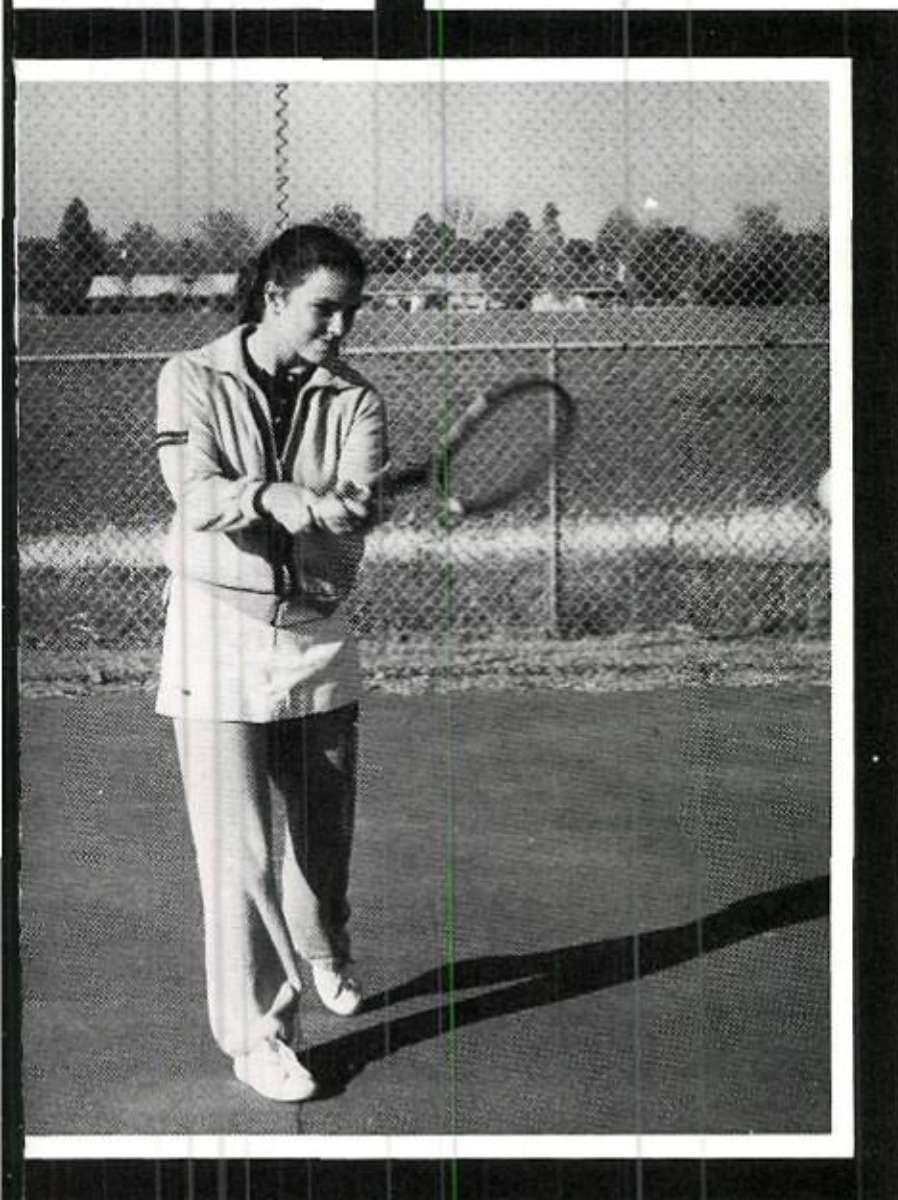

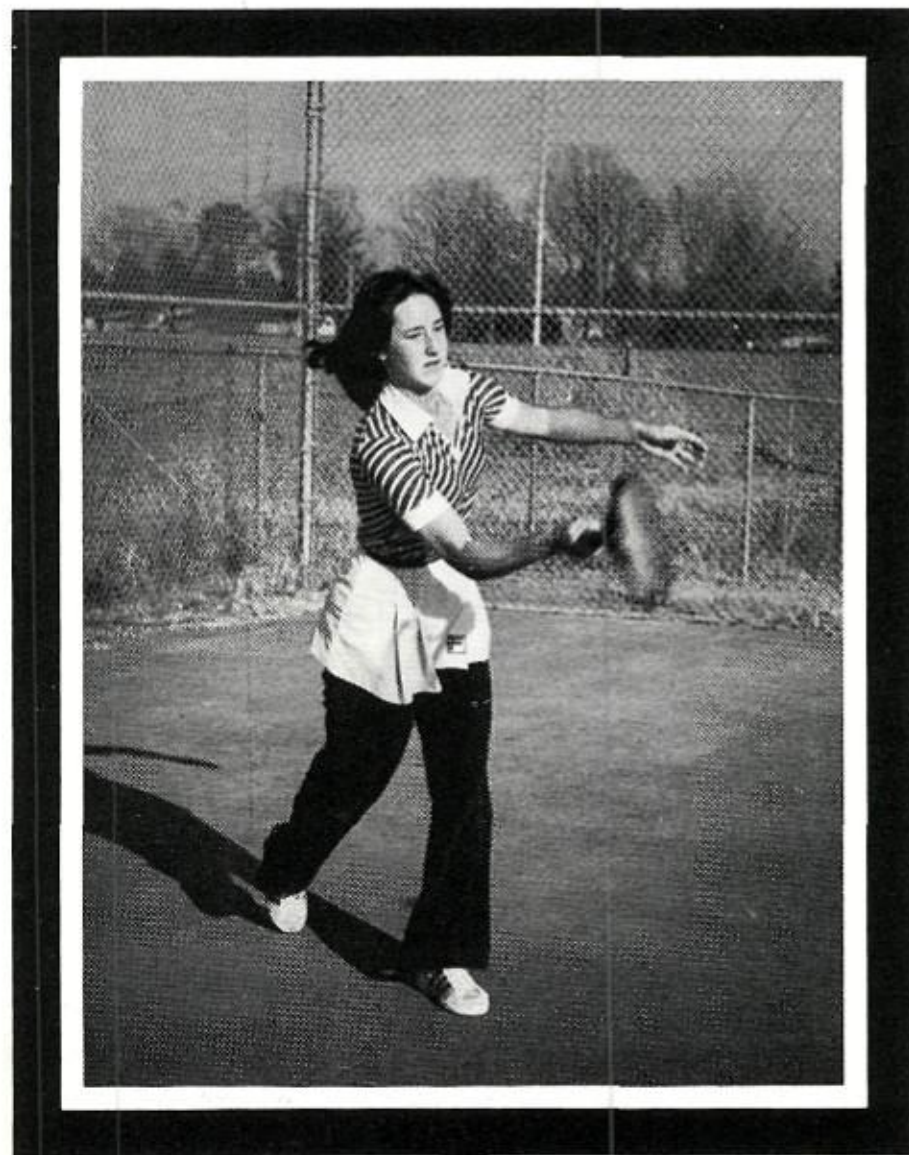

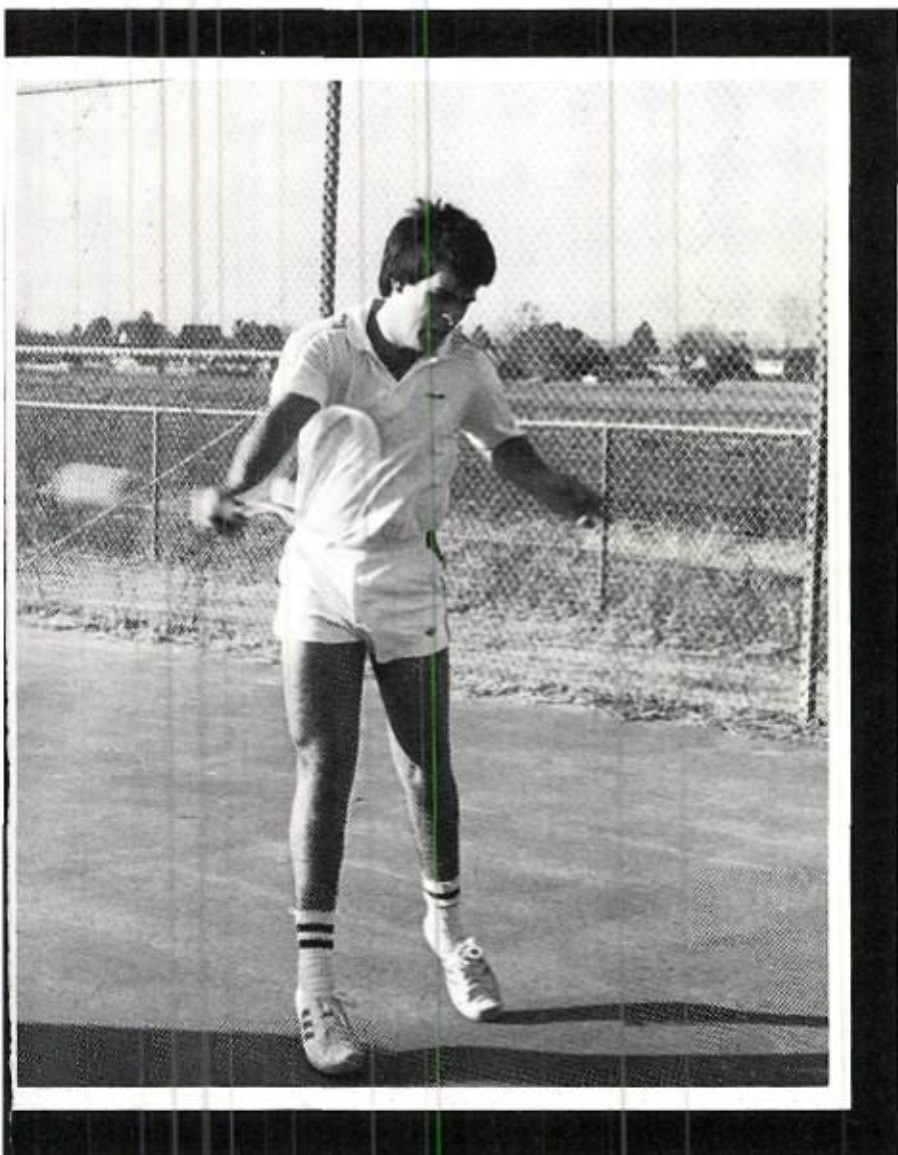

This year's Gator tennis team had several outstanding returning lettermen. Representing the girls team are Suzanne Berry, Stephanie Fess, Pattie Harrison, Tammie Kelley, Amanda Phillips, and Evelyn Williams. Representing the boys' team are Rob Feron, Chris Fess, Clay Fleishel, Jimmy Graves, Pat Harrison, Kenneth Myers, and Lacy Williams. These players represented the CS team very well.

Golf Team Hard to Beat in State

This year's golf team, like last year's, was a tough one to beat. They went through the season with only an occasional loss to spoil their nearly perfect record. Last year the Gator golfers came in second in State only missing out on first place by one stroke. The golf team this year was supervised and coached by Bob Horne. This year's outstanding players were Curtis Crenshaw, Cris Webb, Bart Dornier, Scott Martin, and Robert Jackins. Next year, the team will also have help from junior golfers Bradly Massad, Mike Slack, and David Hoergan.

Girls Track Takes District

The 1979 Girls Track team proved to be a very talented group of ladies throughout the 1979 season. During the district meet they swept up points plus a district championship title. Members of all district team were Rose Kondrat, 1st in shot put; Ellen Berkley, 2nd in 110 yd low hurdles and Tammie Fuller, 1st in 400 m run. the 1600 m relay placed 2nd, the 800 and 400 m relays placed 1st in district. Relay legs were Jackie Ford, Yolanda Dangerfield, Kathy Ware, Rose Kondrat and Karen Snow. Honorable mention district members were Carroll Watts and Janet Jimes placing 3rd in 800 m run and mile run respectively and Rose Kondrat in the discus throw. Rose also received the "Most Valuable Gatolette" award for the second year in a row.

Track Team Goes All Out for State

This year's 1980 boys track team went all out in their training and running program. Under the direction of Coach Tommy Powell and new co-coach Martin Poole, the Gators did very well in their track meets. Last year the Gator track team went to district and just missed a berth for the state meet. This year's track team had plenty of help in the form of Dennis Esther, Mark Priddy, Vincent McDay, Mike Williams, Earl Moore, Rod Spence and Curtis Grappe. With this year's experience, the returning tracksters should be able to do very well just as last year's track team was able to do.

IT'S GREAT TO BE A GATOR!

Craig Prothro, elected by the student body, served as the 1979-80 AL E. Gator. Craig was everything a true gator should be, bringing enthusiasm, spirit, and a sense of pride to all Shreve activities.

The job of AL E. Gator was one of which required many hours of attending school functions in order to promote Gator spirit. While holding the responsibility of AL E. Gator, Craig was expected to attend football and basketball games, as well as pep rallies in order to cheer with the cheerleaders. The AL E. Gator tradition was truly fulfilled by our 11th gator who added a little laughter and excitement to all activities he attended during the year.

Gatoresses Maintain Gator Spirit

The 1979-80 Pep Squad, composed of over 120 spirited girls, presented many exciting and entertaining half-time shows during the victorious football season. Not only did they cheer at football games, but at basketball games as well. The Gatoresses showed their school spirit by making football tags, decorating football players' lockers, and cheering at all the pep rallies.

This year the Gatoresses were under the superior guidance and supervision of Miss Joyce Jordan. The Gatoresses' never-ending motivation truly inspired "GATOR SPIRIT."

Another year has passed and with it the events of another educating experience. We learned a great deal this year — not only through books, but through people too, for it is through others that we find the real meaning of life. Even though the contents of this book may only begin to capture our high school memories, it will always attempt to bring back what we once knew. In closing, we wish to thank everyone in association with the production of this year's LOG, with special thanks given to Mrs. Dorothy Flanagan, faculty advisor.

MONOPOLY

WESTERN ELECTRIC

Can you envision what your life would be like without a telephone? How would you make arrangements for the big ball game? How would you contact your friends for help with your homework? How would the young men make their dates? How would the young women break them?

The telephone has become a necessary part of the American way of life. And, at Western Electric's Shreveport Works, we make more telephones than any other facility in the world.

Western Electric is proud to be a part of the Ark-La-Tex and we are proud of today's students who will be tomorrow's leaders. Only through a quality education can you be prepared to assume this position.

As John Denver puts it in "The Eagle and The Hawk": "Reach for the Heavens; hope for the future and all that you can be, not just what you are."

Our employees — some of whom attended Captain Shreve High School — have made Shreveport the "Telephone Capital of the World." Perhaps you will help us continue this tradition when you complete your formal education.

ARE YOU READY?

Northwestern State University is an institution of proud traditions, which is understandable when it is considered that the university is in its 95th year and is located in picturesque, historic Natchitoches, oldest permanent settlement in the Louisiana Purchase. Through the years, Northwestern has earned the reputation as a pathfinder in innovative education. But we take our greatest pride in the warm, friendly, relaxed atmosphere which enhances the education process and makes college life so enjoyable. We are proud of our modernistic, 75 building physical plant . . . the classrooms, dormitories, dining facilities, research labs, library athletic facilities, art centers. But we also share our students pride in the beauty of the rolling hills of our 1,000 acre campus. Northwestern thinks learning should be fun and that college life should be memorable.

STEP IN OUR DIRECTION, WE
CAN HELP! NSU

Transcontinental

We are one of America's fastest growing organizations... a diversified energy company exploring for oil and gas in 15 states. We are also one of the country's major providers of drilling services to the petroleum industry and we mine coal in Eastern Kentucky, too. In the four years ending in 1978, Transcontinental has more than doubled its employee strength to nearly 1000 and more than tripled its assets to \$85,000,000. As further evidence of our growth, our stock is now available on the American Stock Exchange. Our expansion will continue as we go wherever necessary and do whatever it takes to help satisfy an energy-hungry America, planning that growth from right here in Shreveport.

For years now the name of Stanley Powell has been synonymous with Captain Shreve High School. This past year, Mr. Powell, having been promoted to the job Supervisor of Secondary Education of Caddo Parish Public Schools, left Captain Shreve. For his valuable service to our school, our student body will be forever grateful.

Patrick,

It's been fun checking you out everyday! Hope your future years at Shreve!! Maybe I'll see you at some field parties this summer. Bring your car and we can roast marshmallows!

Dave,

Susan Schuchardt

Pat,
Really appreciate the softball glove. Hope you don't get too many home runs. Well, have a great summer & good luck.
J. Schuchardt
Jason

Well it's been a pretty cool year and it's been fun. Stay sweet!
Always,
Angie Moore
Dr. '82

Pat,
What can I say? I guess there's no words to describe what I know about you! Just joking.
Much success,
Van
(gigolo)

Autographs

Pat,
Times have been
fun. Too bad their
couldn't have been
more. Take it easy and
don't burn anymore cars.
Stay sweet.
Love Always
Ellen Gouppi

Pat, it's been
a pretty good
year! our class
kept English
hope I've got
classes next
year! some
better friends!
Love ya!
Jim
Sutherland

Crane (Patrick)
It's hard to describe
you but don't worry
about a thing. Start
lifting those weights and
get some muscle on your
long body. Maybe someday
you can try out for
Mr. U.S.A. Ha, Ha, Ha.
Joby.

Pat.
Have fun this
summer. R/H/7/5

Love,
Lynn

Patrick

Be nice

Diane

Patrick,
Well I'm glad I got to know you this year.
You are a really sweet guy. Don't let
Jay be mean to you anymore in study hall!
Well next year try not to blow up any cars,
but I don't have much room to talk do I?
See you around!

Love ya,
Carolyn Cooper SR '82

Patrick,

It's been good knowing you this
year. I hope we can have a class
or two together next year. As Carolyn
said. don't let Jay bother you. Have
a good summer and stay out of trouble.
I know you will if you don't steal
any cars.

Love ya,
Rhonda

Murderb

It's been an experience knowing you this year. Try to
keep out of trouble this summer and don't blow up any
cars. Don't pay any attention to what I say.

See you later

Jay Thomas

To my friend Pat,
You're a good person + real nice, that we've
too. I'm glad for these few in this
ween friends for see you in this
years. Hope I see you in this
summer. Love Sophia

Patrick,

I'm glad we've had a
class together this year.
We've had lots of laughs.
I wish you luck with
your license and your
'driving inferno'. I hope
you have a great summer
and I hope we have a
class together next year.

Be good! Love Ya.
Laura
Lelandre

Patrick,

(firing inferno!) I'm glad we went to Shreve
together. When you get your license we'll
have to go out & party. Have a good
summer & stay out of trouble (especially
fire trouble!) Well - bye for now & I'll
see ya this summer. Love ya,

Debbie '83'

Pat!
It's been fun
this year and
I hope to see you out
this summer. Be careful
when driving and don't point
flames on your car.
Richy

Patrick,
It has been fun going to school
with you this year. I had fun in
Civics class with you and everyone. I hope
to see you next year.
Love
many

To a tall
guy that sits
in front of me in
Civics! Hope you pass!
See ya,
Kay
Sr. '82

To a tall and
pretty cool fellow
who I will always
remember.
M. Kenna
Sr. '85

To a big goony-bird
who likes to blow up cars.
See ya next year in the 9th
grade. Have a nice summer!
Brian B.
Sr. '83

Patrick,
It's been great
having you in
Biology. I hope
to have lots more
classes with you
next year!

Patrick,
It's been funny
having you in this
class. Hope you have
a great summer
J. Kenna

Love ya,
Pam
Summer
Cynthia M.

-PAT-
me & Lisa
have had a real
great time sitting
next to you in English
believe me you've made
our class um, er,
unique.... well anyway
have a great summer
Lisa Holt wants you to
keep in touch with her
the girls weird!
Have a great summer

Patrick,
you are really
a nice guy. I know
some people give you
hard times but don't let
it get you down. Good luck
in the future and be
careful with cars. I think
they are bad luck for you.
Raise hell this summer but
don't get in trouble.

Good luck
in the future
and be careful
with cars.

Patrick M.,
You are are crazy
guy! I'm really glad I
met you this year! You
really nice and have a great
summer!!!
